Limited Review Report for the quarter ended 30th September 2014

We have reviewed the accompanying statement of unaudited financial results of M/s. Cubex Tubings Limited for the quarter ended 30th September 2014 except for the disclosures regarding 'Public Shareholding' and 'Promoter and Promoter Group Shareholding' which have been traced from disclosures made by the management and have not been audited by us. This statement is the responsibility of the Company's Management and has been approved by the Board of Directors/ committee of Board of Directors. Our responsibility is to issue a report on these financial statements based on our review.

We conducted our review in accordance with the Standard on Review Engagement (SRE) 2400, Engagements to Review Financial Statements issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

The company is in the process of reviewing the useful life of tangible fixed assets and identification of their major components, to enable it to provide depreciation on such assets in accordance with Schedule II of the Companies Act, 2013. Pending this, the depreciation on such assets has been provided for in accordance with Schedule XIV of the Companies Act, 1956. The effect to this is not quantified.

Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited financial results prepared in accordance with applicable accounting standards and other recognised accounting practices and policies has not disclosed the information required to be disclosed in terms of Clause 41 of the Listing Agreement including the manner in which it is to be disclosed, or that it contains any material misstatement.
