1. We have reviewed the accompanying Statement of Standalone unaudited Financial Results of **ORIENT GREEN POWER COMPANY LIMITED** ("the Company") for the Quarter and Half-year ended September 30, 2014 ("the Statement") being submitted by the Company pursuant to the requirement of Clause 41 of the Listing Agreements with the Stock Exchanges, except for the disclosures in Part II - Select Information referred to in paragraph 5 below. This Statement is the responsibility of the Company's Management and has been approved by the Board of Directors. Our responsibility is to issue a report on the Statement based on our review.
2. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity', issued by the Institute of Chartered Accountants of India. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of Company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and, accordingly, we do not express an audit opinion.
3. Based on our review conducted as stated above, nothing has come to our attention that causes us to believe that the accompanying Statement, read with the Notes thereon, prepared in accordance with the Accounting Standards specified under the Companies Act, 1956 (which are deemed to be applicable as per Section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014) and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Clause 41 of the Listing Agreements with the Stock Exchanges, including the manner in which it is to be disclosed, or that it contains any material misstatement.
4. We draw attention to Note 4 of the Statement in connection with the following:

The Company is carrying investments aggregating to Rs. 10,021.02 lakhs (Net of provision) in seven Indian subsidiaries and has also provided loans aggregating to Rs. 21,799.48 lakhs (Net of provision) to these subsidiaries whose net worth has been fully eroded as at September 30, 2014. As stated in the said Note, no additional provision is considered necessary by the Management in view of the gestation period required for break even,

committed power supply arrangements on hand and in pipeline, expected higher cash flows based on future business projections and the strategic nature of these investments.

Our report is not qualified in respect of this matter.

5. Further, we also report that we have traced the number of shares as well as the percentage of shareholding in respect of the aggregate amount of public shareholding and the number of shares as well as the percentage of shares pledged/encumbered and non-encumbered in respect of the aggregate amount of promoters and promoter group shareholding in terms of Clause 35 of the Listing Agreements with the Stock Exchanges and the particulars relating to investor complaints disclosed in Part II – Select Information for the Quarter and Half-year ended September 30, 2014, from the details furnished by the Management.

The statutory auditors of the Company have also invited attention to this matter in their limited review report.

Pending the decision, the Company has created a provision of Rs. 31.01 lakhs for the Half-year ended September 30, 2014 and carries a cumulative provision of Rs.323.79 lakhs as at September 30, 2014 which has been made on grounds of prudence.

- 8 Exceptional item for the Half-year ended September 30, 2014 represents the amount of additional provision made towards diminution in the value of investments in subsidiaries based on Management's assessment.
