This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review of Interim financial statement is limited primarily to inquiries of person responsible for financial & accounting matters and analytical procedures applied to financial data. 3. Based on our review conducted as above and explanations given to us, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited financial results prepared in accordance with applicable accounting standards (Note 1) and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Clause 41 of the Listing Agreement including the manner in which it is to be disclosed, or that it contains any material misstatement.
