CERTIFICATE

We have reviewed the accompanying statement of unaudited financial results of RELIC TECHNOLOGIES LIMITED for the period quarter ended 30th September 2014. This statement is the responsibility of the Company's management.

A review of interim financial information consists principally of applying analytical procedures for financial data and making inquiries of persons responsible for financial and accounting matters. It is substantially less in scope than an audit conducted in accordance with the generally accepted auditing standards, the objective of which is the expression of an opinion regarding the financial statements as a whole. Accordingly, we do not express such an opinion.

Based on our review conducted as above, nothing has come to our notice that causes us to believe that the accompanying statement of unaudited financial results has not disclosed the information required to be disclosed in terms of clause 41 of the listing Agreement including the manner in which it is to be disclosed, or that it contains any material misstatement.
