PRESS RELEASE

BEML LAUNCHES INDIA'S BIGGEST EXCAVATOR

BEML LIMITED, a premier domestic manufacturer of Mining & Construction equipment, has launched **the biggest Made-in-India** Electrical Excavator BE1800E for large mining operations.

At a function held at KGF Complex of the Company, Shri P. Dwarakanath, Chairman and Managing Director has launched the Equipment in the presence of Directors, Executives and Employees of the Company.

BEML BE1800E electrical excavator matters a lot in mega mining projects where low-cost electric power is available. This excavator is packed with leading-edge technology, offers a host of advantages, including superior controllability, mobility, durability, maintainability and operator comfort. BE1800E Excavator is a cost effective alternative to the 10 cum Rope Shovels currently in operations. BEML electrical excavator comprises of proven electrical system, hydraulic system, undercarriage and work attachment which enables high reliability.

With the thrust for 'Make in India,' this indigenously developed pollution-free Excavator will help to increase productivity in Mining Operations both domestically and globally. This product launch re-emphasis BEML's commitment for a cleaner environment.
