1. We, Doshi Doshi & Associates have reviewed the accompanying statement of unaudited financial results of HUBTOWN LIMITED ('the Company') for the quarter ended 31st December, 2013 except for the disclosures regarding 'Public Shareholding' and 'Promoter and Promoter Group Shareholding' which have been traced from disclosures made by the management and have not been audited by us. This statement is the responsibility of the Company's management, prepared in accordance with the accounting standards notified under the Companies act, 1956 ('the act') read with the general circular 15/2013 dated 13th September, 2013 of the ministry of corporate affairs in respect of section 133 of the Companies act, 2013. This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the financial results, that give a true and fair view and are free from material misstatement, whether due to fraud or error. The financial results have been approved by the Board of Directors. Our responsibility is to issue a report on these financial results based on our review.
2. We conducted our review in accordance with the Standard on Engagement (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
3. Attention is invited to :
 - a) Note no. 3 to the quarterly results with regard to recognition of expense and income for ongoing projects which is based upon area and estimated costs, as per the judgment of management, which has been relied upon by us, this being a technical matter.
 - b) Note no. 5 to the quarterly results with regard to income from operations for the quarter ended December 31, 2013, which includes share of profit / loss (net), that are based on the financial statements of entities which have been reviewed by the respective auditors of such entities, on whose Review reports, we have relied.

- c) Note no. 6 to the quarterly results with regard to investment in certain debentures.
- d) With regard to non-creation of investments to the extent of 15% of the value of redeemable debentures, which is required to be created and earmarked in accordance with the requirement of the Companies Act, 1956.
- e) The Company has investments aggregating to ₹ 331.34 lacs and loans and advances aggregating to ₹ 98,920.29 lacs in certain subsidiaries, joint controlled entities and associates which have incurred losses and have negative net worth as at the period end. Of the above, investments aggregating to ₹ 97.40 lacs and loans and advances aggregating to ₹ 1,693.67 lacs pertains to the entities for which financial statements are prepared and presented to us by the management of such entity. As explained to us, investments in these entities are considered strategic and long term in nature and the entities are in early stage of real estate development or have certain investments, which in the opinion of the Company, have current market value of properties and assets significantly in excess of their carrying values and are expected to achieve adequate profitability on substantial completion of their projects or sale of investments. Considering the above, the company has not provided for diminution in the value of its investments in such entities or in respect of loans and advances to such entities, which are considered good and fully recoverable.
- f) With regards to the status of the projects and the opinion framed by the Company regarding realizable value of the cost incurred, being a technical matter, has been relied upon by us.

In the opinion of the Company, these are not expected to result into any financial liability to the Company.
- i) The Company has not provided for interest and allied costs or accounted for liabilities on funds received from a financial institution. We are informed that the Company is in the process of negotiating with the financial institution and the impact, if any, on the financial results of the Company after the conclusion of the negotiations is not expected to be material.
