P

- 3. Attention is drawn on the following matters:
 - Provisions for accrued liabilities as at 31st December, 2013 on account of gratuity, earned leave and half pay leave have been made as per management estimate as against actuarial valuation.
 - Balance confirmations have not been received from the parties under trade payables / trade receivables/ loans & advances.

The adjustments which may arise on account of above may have impact on the profit for the period and the period-end assets and liabilities position.

4. Based on our review conducted in the manner indicated in paragraph 2 and remarks in paragraph 3 above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited financial results is not prepared in all material respects, in accordance with applicable information required to be disclosed in terms of Clause 41 of the Listing Agreement including the manner in which it is to be disclosed, or that it contains any material misstatement.
