Sir,

**Sub: Clarification in reference to Unaudited Financial Results for the quarter ended 31<sup>st</sup> March, 2014**

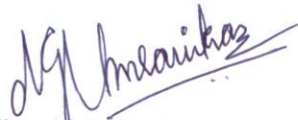

In the Unaudited Financial Results for the quarter ended 31<sup>st</sup> March, 2013 (released on 2<sup>nd</sup> May, 2013) we had given the following note:

*“The Company is in the process of transitioning out one of its significant customers since the contractual arrangement with the customer is expected to end in financial year 2013-14.”*

We hereby clarify and confirm that the point included in the notes to Unaudited Financial Results for the quarter ended 31<sup>st</sup> March, 2014 (released on 30<sup>th</sup> April, 2014) regarding “revenue recognised on account of contract termination” is from the same customer.

Kindly take note of the above.
