AURIONPRO ACHIEVES ORACLE PARTNERNETWORK SPECIALIZATION FOR THE FINANCIAL SERVICES INDUSTRY

April 23, 2014 – San Ramon, CA (Marketwire)

Aurionpro, a leading provider of expert-level consulting services and software solutions and a Platinum-level member of Oracle PartnerNetwork (OPN), today announced it has achieved OPN Specialized status for the Financial Services Industry.

To achieve OPN Specialized status, Oracle partners are required to meet a stringent set of requirements that are based on the needs and priorities of the customer and partner community. By achieving a Specialized distinction, Aurionpro has been recognized by Oracle for its expertise in delivering services specifically around the Financial Services industry through competency development, business results, and proven success.

"Aurionpro's history is rooted in delivering innovative technology solutions to Financial Services institutions and we are proud to call six out of the ten largest global banks our customers," commented Swapnil Mehta, Executive Vice President, Products, Aurionpro. "Achieving OPN Specialization in Financial Services signifies that the combination of our deep Financial Services domain knowledge and our expert-level Oracle implementation capabilities makes Aurionpro an effective Oracle consulting services provider to the Financial Services Industry."

"By becoming Specialized in the Financial Services Industry, Aurionpro has clearly demonstrated their commitment to the OPN program and our joint Financial Services customers," said Joel Borellis, Group Vice President, Partner Enablement, Oracle. "Completing the requirements needed to achieve OPN Specialized status is a real testament to their hard work and drive to differentiate themselves in the marketplace and distinguish their offerings."

Aurionpro has been recognized by Oracle on a number of occasions for the level of technical depth, product, and domain knowledge that the team possesses, winning multiple Oracle Titan/Oracle Excellence Partner of the Year awards and individual Deputy CTO and Oracle ACE designations. Aurionpro has also achieved Specializations in Oracle Access Management, Oracle Identity Analytics and Oracle WebCenter. These accomplishments demonstrate Aurionpro's commitment to the Oracle ecosystem and illustrate the consistency of success achieved across hundreds of Oracle implementations.
