### Natco clarifies in response to speculation about Generic Copaxone

Natco today issues a clarification with regard to launch of generic Copaxone. There has been recent speculation as to the role of Natco in the future decision(s) related to potential launch and/ or pricing of generic Copaxone in the United States. Natco confirms the final decision as to when or whether and pricing of generic Copaxone is launched in the US rests with its Partner Mylan. Natco remains committed and working to take steps and deploy the necessary resources to ensure that a quality generic US FDA approved Copaxone is made available to patients suffering from Multiple Sclerosis upon market formation. The Stock Exchange will be duly informed whenever such a decision is made in the future.
