AURIONPRO TO ATTEND BANKING VIETNAM 2014

Conference focus of "Innovative Banking: Building Trust and Customer Engagement" to deliver a balance of practical guidance, insights, and opportunity for attendees

May 15, 2014 – Singapore

Aurionpro, a leading provider of software and services and an Oracle Platinum Partner with Specialized status for the Financial Services Industry, announced today that it will attend and exhibit at Banking Vietnam 2014 on May 20-22, at the Melia Hanoi hotel.

The conference, which is celebrating its 11th year, is the largest annual banking conference and expo in Vietnam. With a theme of Innovative Banking: Building Trust and Customer Engagement, Banking Vietnam 2014 will see 450 executive-level delegates gather to network, hear industry thought leaders discuss current and emerging trends, and discover what progressive institutions are doing to tackle the challenges. The conference features keynote speakers and breakout sessions that cover key issues, including bank modernization and transformation, mobile banking, retail payments and payment systems, Big Data and analytics, and risk management.

Aurionpro will showcase its portfolio of banking and financial services technologies, including payment platforms, lending systems, mobile banking solutions, and customer experience management offerings, as well as its complete set of Oracle implementation services and IT consulting packages.
