- The financial results of the Company for the year ended March 31, 2014 has been audited by the statutory auditors of the Company.
- The figures for the quarter ended March 31, 2014 represent the derived figures between the audited figures in respect of the current year ended March 31, 2014 and the published year to date figures upto December 31, 2013, being the end of the third quarter of current year which were subjected to a limited review, as required under clause 41 (1) (d) of the listing agreement.
- The Company has not received financial statement from its subsidiaries since the audit is in progress, hence consolidated financial statements have not been furnished.
- Lloyd Dynamowerke GmbH & Co. KG, Germany (LDW) the step down subsidiary of the Company, has incurred substantial losses for the current and immediate previous years, thereby eroding its networth. However, LDW has sufficient orders in hand and is confident of earning profits in the subsequent years. The Company believes based on legal advice / internal assessment that the outcome of these contingencies will be favorable, that losses are not probable and no provision is required to be recognized in this respect.
- Previous period/year figures have been regrouped wherever necessary to confirm with current period presentation.

- The figures for the quarter ended March 31, 2014 represent the derived figures between the audited figures in respect of the current year ended March 31, 2014 and the published year to date figures upto December 31, 2013, being the end of the third quarter of current year which were subjected to a limited review, as required under clause 41 (1) (d) of the listing agreement.
- The Company has not received financial statement from its subsidiaries since the audit is in progress, hence consolidated financial statements have not been furnished.

However, LDW has sufficient orders in hand and is confident of earning profits in the subsequent years. The Company has formulated a turn around strategy for the said company, which has been progressing well. The diminution in the carrying value of the investments held by the Company in Kirsons BV (immediate holding company of LDW) is considered temporary and no provision is considered necessary. The Company believes based on legal advice / internal assessment that the outcome of these contingencies will be favorable, that losses are not probable and no provision is required to be recognized in this respect.
- Previous period/year figures have been regrouped wherever necessary to confirm with current period presentation.
