AURIONPRO ACHIEVES ORACLE PARTNERNETWORK SPECIALIZATIONS FOR THE COMMUNICATIONS, MEDIA AND ENTERTAINMENT INDUSTRIES

Oracle Recognizes Aurionpro for Expertise in Implementing Innovative, Highly-Engaging Solutions

June 25, 2014 – San Ramon, CA (Marketwire)

Aurionpro (NSE: AURIONPRO) (BSE: 532668), an award-winning provider of industry-tailored solutions and services and a Platinum level member of Oracle PartnerNetwork (OPN), today announced that it has achieved OPN Specialized status for both the Communications and Media and Entertainment industries.

To achieve OPN Specialized status, Oracle partners are required to meet a stringent set of requirements that are based on the needs and priorities of the customer and partner community. By achieving a Specialized distinction, Aurionpro has been recognized by Oracle for its expertise in delivering services specifically for the Communications, Media and Entertainment industries through competency development, business results, and proven success.

Both OPN Industry Specializations recognize partner organizations that are proficient in applying Oracle solutions that help deliver innovative approaches to addressing business challenges and exploit opportunities to drive business results.

"Our team is proud to be recognized for our innovation and commitment to helping our customers across both the Communications and Media and Entertainment industries achieve their objectives by delivering premier services based on Oracle technologies," said Swapnil Mehta, Executive Vice President, Products, Aurionpro. "Along with our existing OPN Specializations, these achievements represent Aurionpro's dedication to being a leader and trusted partner in delivering end-to-end Oracle-focused services for our customers."

"Aurionpro appreciates the importance of helping organizations in the Communications and Media and Entertainment industries get the most out of their investments in Oracle technologies," said Joel Borellis, Group Vice President, Partner Enablement, Oracle. "We congratulate them on achieving additional OPN Specializations and look forward to continuing to deliver significant and tangible value to our joint customers around the world."

Aurionpro has been recognized by Oracle on a number of occasions for the level of technical depth, product, and domain knowledge that the team possesses, winning multiple Oracle Titan/Oracle Excellence Partner of the Year awards and individual Deputy CTO and Oracle ACE designations. Aurionpro has also achieved Product Specializations for Oracle Access Management, Oracle Identity Analytics, and Oracle WebCenter. These accomplishments demonstrate the company's commitment to the Oracle ecosystem and illustrate the demonstrated success achieved across hundreds of Oracle implementations.

About Aurionpro

Aurionpro Solutions (NSE: AURIONPRO) (BSE: 532668) is a publicly traded technology company that helps Fortune 1000 companies to be more efficient through domain-driven software and consulting offerings. Employing more than 1,400 individuals across North America, Asia, and Europe, the company has been recognized by Deloitte, Forbes, and the 2013 FinTech 100 as one of the world's fastest growing technology companies. About Oracle PartnerNetwork

Oracle PartnerNetwork (OPN) Specialized is the latest version of Oracle's partner program that provides partners with tools to better develop, sell and implement Oracle solutions. OPN Specialized offers resources to train and support specialized knowledge of Oracle products and solutions and has evolved to recognize Oracle's growing product portfolio, partner base and business opportunity. Key to the latest enhancements to OPN is the ability for partners to differentiate through Specializations. Specializations are achieved through competency development, business results, expertise and proven success. To find out more visit <http://www.oracle.com/partners>.
