

Sasken Communication Technologies Ltd. appraised at CMMI Level 3

2 June 2014, Bangalore— Sasken Communication Technologies Limited (BSE: 532663 & NSE: SASKEN) today announced that it has been appraised at Level 3 of the CMMI Institute's Capability Maturity Model Integration (CMMI). The appraisal was performed by QAI India Limited.

CMMI is a process improvement approach that provides organizations with the essential elements of effective processes that ultimately improve their performance.

An appraisal at maturity level 3 indicates the organization is performing at a "defined" level. At this level, processes are well characterized and understood, and are described in standards, procedures, tools, and methods. The organization's set of standard processes, which is the basis for maturity level 3, is established and improved over time.

About Sasken

Sasken is a leader in providing Engineering R&D and Productized IT services to global tier 1 customers in the Communications & Devices, Retail, Insurance and Independent Software space.

Sasken's deep domain knowledge and comprehensive suite of services has helped global leaders in verticals such as Semiconductors, Consumer Electronics, Smart Devices, Automotive Electronics, Enterprises and Network Equipment maintain market leadership. In the Retail, Insurance and Independent Software Vendor verticals, Sasken enables customers to rapidly rearchitect their suite of IT Application and Infrastructure.

About CMMI Institute

CMMI is the result of more than 20 years of ongoing work at Carnegie Mellon University by members of industry, government, and the Software Engineering Institute. Powered by Carnegie Mellon, the CMMI Institute is working to build upon CMMI's success, advance the state of the practice, accelerate the development and adoption of best practices, and provide solutions to the emerging needs of businesses around the world.
