**AUDITOR'S REPORT**

To  
The Board of Directors of  
Arshiya Limited

1. We have audited the accompanying Statement of Financial Results ("the Statement") of Arshiya Limited ("the Company") for the year ended 31<sup>st</sup> March, 2014, being submitted by the Company pursuant to Clause 41 of the Listing Agreements with the Stock Exchanges. This Statement has been prepared by the Company on the basis of the related annual financial statements, which are the responsibility of the Company's management and have been approved by the Board of Directors. Our responsibility is to express an opinion on the Statement based on our audit of the related annual financial statements, which have been prepared in accordance with the Accounting Standards notified under the Companies (Accounting Standards) Rules, 2006 and other accounting principles generally accepted in India.
2. We conducted our audit of the Statement in accordance with auditing standards generally accepted in India. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the Statement is free of material misstatement. An audit includes examining on a test basis, evidence supporting the amounts and the disclosures in the Statement. An audit also includes assessing the accounting principles used and the significant estimates made by the management, as well as evaluating the overall Statement presentation. We believe that our audit provides a reasonable basis for our opinion.
3. Attention is invited to Note 2 of the Statement regarding figures for the quarter ended 31<sup>st</sup> March, being balancing figures between the audited figures in respect of the full financial year and the published year to date figures up to the third quarter of the relevant financial year.

4. We draw attention to Note 4.1 regarding severe financial stress faced by the Company which is reflected by outstanding full and final settlement dues of resigned employees to the extent of Rs.418.04 lacs, statutory dues i.e. income tax deducted at source and service tax of Rs.1897.42 lacs are in arrears, the dues (interest and repayment of borrowings) of a bank, financial institutions and a non-banking finance company aggregating to Rs.19,033.60 Lacs are overdue, short term funds are used for long term purposes and certain lenders have filed court cases against the Company for winding up /recovery of dues and against Directors due to dishonor of cheques. The Corporate Debt Restructuring (CDR) Scheme of the Company has been approved by the CDR Cell and is under implementation.

To mitigate the financial stress, the Company has taken various steps including opting for CDR and restructuring the business operations as referred to in Note 4.3 of the Statement.

5. During the year ended 31<sup>st</sup> March, 2014, the Company has accounted Mark to Market (MTM) Loss (net) of Rs.393.08 Lacs from tangible assets (net of depreciation) and Rs.85.60 Lacs from foreign currency translation reserve account have been charged to the Statement of Profit & Loss for the year, which have been shown as Exceptional Item.

On account of above, an amount of Rs.3231.14 Lacs in respect of MTM losses upon determination of fair market value of derivatives entered into by the Company have been charged.

If the Company had continue to follow the policy of deferring the write off of MTM losses, the charge for the year would have been lower by Rs.3134.32 Lacs. The Company is of the views that MTM Loss has to be worked out taking into the spot exchange rate(s) on the reporting date as it is committed to continue derivative contracts till their maturity and hence, applying the fair market value resuming that the derivative contracts would be cancelled on the reporting date shall not reflect the correct financial position. However, the banks who have entered into derivative contracts with the Company have intimated that the loss on account of MTM loss is Rs.7088.73 Lacs as upto 31<sup>st</sup> March, 2014 as against the amount of Rs.3391.57 Lacs as determined as per the Company's view.

6. Remuneration of Rs.114.82 Lacs paid/provided to the Executive Director is subject to the approval of the Central Government.
7. In our opinion and to the best of our information and according to the explanations given to us, on the basis stated in paragraphs 4 and 5, the Statement:
  - (i) Is presented in accordance with the requirements of Clause 41 of the Listing Agreements with the Stock Exchanges; and
  - (ii) Gives a true and fair view of the net loss and other financial information of the Company for the quarter / year ended 31<sup>st</sup> March, 2014.
8. Further, we also report that we have traced from the details furnished by the Management/ Registrars, the number of shares as well as the percentage of shareholding in respect of the aggregate amount of public shareholding pledged/encumbered shares and Non-encumbered shares of promoter and promoter group shareholding in terms of Clause 35 of the Listing Agreements and the particulars relating to undisputed investor companies.

Due to the above change, an amount of Rs. 393.08 lacs from tangible assets (net of depreciation) and Rs.85.60 lacs from Foreign Currency Translation Reserve Account have been charged to the Statement of Profit and Loss for the year, which have been shown as Exceptional Item.

**AUDITOR'S REPORT**

To  
**The Board of Directors of  
Arshiya Limited**

1. We have audited the accompanying Statement of Consolidated Financial Results ("the Statement") of Arshiya Limited ("the Company") for the year ended 31<sup>st</sup> March, 2014, being submitted by the Company pursuant to Clause 41 of the Listing Agreements with the Stock Exchanges. This Statement has been prepared by the Company on the basis of the related annual financial statements, which are the responsibility of the Company's management and have been approved by the Board of Directors. Our responsibility is to express an opinion on the Statement based on our audit of the related annual financial statements, which have been prepared in accordance with the Accounting Standards notified under the Companies (Accounting Standards) Rules, 2006 and other accounting principles generally accepted in India.
2. We conducted our audit of the Statement in accordance with auditing standards generally accepted in India. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the Statement is free of material misstatement. An audit includes examining on a test basis, evidence supporting the amounts and the disclosures in the Statement. An audit also includes assessing the accounting principles used and the significant estimates made by the management, as well as evaluating the overall Statement presentation. We believe that our audit provides a reasonable basis for our opinion.
3. Attention is invited to Note 2 of the Statement regarding figures for the quarter ended 31<sup>st</sup> March, being balancing figures between the audited figures in respect of the full financial year and the published year to date figures up to the third quarter of the relevant financial year.

4. We draw attention to Note 3.1 regarding severe financial stress faced by the Company which is reflected by outstanding full and final settlement dues of resigned employees to the extent of Rs.716.75 lacs, statutory dues i.e. income tax deducted at source and service tax of Rs.4635.28 lacs are in arrears, the dues (interest and repayment of borrowings) of a bank, financial institutions and a non-banking finance company aggregating to Rs.20834.98 Lacs are overdue, short term funds have been used for long term purposes and certain lenders have filed court cases against the Company for winding up /recovery of dues and Directors due to dishonor of cheques. The Corporate Debt Restructuring (CDR) Scheme of the Company has been approved by the CDR Cell and is under implementation.

To mitigate the financial stress, the Company has taken various steps including opting for CDR and restructuring the business operations as referred to in Note 3.3 of the Statement.

5. During the year ended 31<sup>st</sup> March, 2014, the Company has accounted Mark to Market (MTM) Loss (net) of Rs.393.08 Lacs from tangible assets (net of depreciation) and Rs.85.60 Lacs from foreign currency translation reserve account have been charged to the Statement of Profit & Loss for the year, which have been shown as Exceptional Item.

On account of above, an amount of Rs.3231.14 Lacs in respect of MTM losses upon determination of fair market value of derivatives entered into by the Company have been charged.

If the Company had continue to follow the policy of deferring the write off of MTM losses, the charge for the year would have been lower by Rs.3134.32 Lacs. The Company is of the views that MTM Loss has to be worked out taking into the spot exchange rate(s) on the reporting date as it is committed to continue derivative contracts till their maturity and hence, applying the fair market value resuming that the derivative contracts would be cancelled on the reporting date shall not reflect the correct financial position. However, the banks who have

entered into derivative contracts with the Company have, intimated that the loss on account of MTM loss is Rs.7088.73 Lacs as upto 31<sup>st</sup> March, 2014 as against the amount of Rs.3391.57 Lacs as determined as per the Company's view.

6. Remuneration of Rs.114.82 Lacs paid/provided to the Executive Director is subject to the approval of the Central Government.
7. In our opinion and to the best of our information and according to the explanations given to us, on the basis stated in paragraphs 4 and 5, the Statement:
  - (i) Is presented in accordance with the requirements of Clause 41 of the Listing Agreements with the Stock Exchanges; and
  - (ii) Gives a true and fair view of the net loss and other financial information of the Company for the quarter / year ended 31<sup>st</sup> March, 2014.
8. Further, we also report that we have traced from the details furnished by the Management/ Registrars, the number of shares as well as the percentage of shareholding in respect of the aggregate amount of public shareholding pledged/encumbered shares and Non-encumbered shares of promoter and promoter group shareholding in terms of Clause 35 of the Listing Agreements and the particulars relating to undisputed investor companies.

### Notes to Consolidated Results:

- 1) The above financial results for the year ended 31<sup>st</sup> March, 2014 have been reviewed by the Audit Committee and approved by the Board of Directors at the meeting held on 9<sup>th</sup> July, 2014.
- 2) The Statutory Auditors of the Company have carried out the audit on consolidated basis of the financial results for the year ended 31<sup>st</sup> March, 2014.
- 3.1) The Company continues to be under severe financial stress which is reflected by non-payment of full and final settlement dues of employees to the extent of Rs. 716.75 lacs delay in payment of dues of interest and repayment of principal borrowings to the bank, non-banking finance company and financial institutions aggregating to Rs. 20,834.98 lacs, short term funds used for long term purposes, statutory dues i.e. income-tax deducted at source, service tax and arrears remaining unpaid to the extent of Rs. 4,635.28 lacs and court cases against the Company for winding up / recovery of dues and due to dishonor of cheques. The Auditors have drawn attention to this in their audit report.

To mitigate the financial stress, the Company has taken various steps including opting for Corporate Debt Restructuring and restructuring the business operations as referred to in 3.3 of the Statement.

- 3.2) **The Corporate Debt Restructuring (CDR) Scheme of the Company has been approved by the CDR Cell. The Master Restructuring Agreement (MRA) is executed with all banks except one bank. The Company is confident that it shall be able to comply with all the conditions of the CDR Scheme and shall continue to operate as a viable unit.**

3.3) **The management of the Company is in the process of restructuring its business operations as also those of its subsidiaries in which it has substantial investments, by -**

- \* **expanding the business volumes,**
- \* **converting Free Trade Warehousing Zone at Khurja, Uttar Pradesh into Sectors Specific Special Economic Zones,**
- \* **establishing an Inland Container Depot,**
- \* **tying up the requisite funds for the said purposes,**
- \* **phasing out of Logistics Business (Freight Forwarding)**

4.1) In view of the financial stress as stated above, the Chairman and Managing Director of the Company decided not to draw any Salary for the financial years 2012-2013 and 2013-2014. Consequently, the Board of Directors of the Company at their meeting held on 2<sup>nd</sup> April, 2014 decided that the Company's application to the Central Government for approval of excess remuneration of Rs. 340.76 lacs paid/provided in the years 2012-2013 and 2013-2014 be withdrawn and accordingly, the same was withdrawn. The entire remuneration paid to the Chairman and Managing Director has been recovered during the quarter ended 31<sup>st</sup> March, 2014.

4.2) An amount of Rs. 167.84 lacs being the remuneration for the year ended 31<sup>st</sup> March, 2013 paid to the Chairman and Managing Director of a subsidiary company became excess of the limits specified under the provisions of the Companies Act, 1956 in view of inadequate profit in that year. The said remuneration has been recovered during the year from the Chairman and Managing Director.

4.3) In the absence of profits, the remuneration of Rs. 114.82 lacs paid /provided to Mr. Suhas Thakar, Executive Director, is in excess of the limits prescribed under Section 198 read with Schedule XIII of the Companies Act, 1956. The Company is in the process of making an application for approval of the excess remuneration.

- 5) During the year ended 31<sup>st</sup> March, 2014, the Company has changed its accounting policy of capitalising / deferring its Reserve for Mark to Market Losses (MTM) on its derivatives (for conversion of rupee loan liability into foreign loan) following an announcement by the Institute of Chartered Accountants of India on "Accounting for Derivatives" by charging MTM losses directly in the Statement of Profit & Loss. Due to the above change, an amount of Rs. 393.08 lacs from tangible assets (net of depreciation) and Rs. 85.60 lacs from Foreign Currency Translation Reserve Account have been charged to the Statement of Profit and Loss for the year, which have been shown as Exceptional Item.

On account of above, an amount of Rs. 3,231.14 lacs in respect of MTM losses upon determination of fair market value of derivatives entered into by the Company have been charged.

If the Company had continued to follow the policy of deferring the write off of MTM losses, the charge for the year would have been lower by Rs. 3,134.32 lacs.

The Company is of the view that MTM loss has to be worked out taking into account the spot exchange rate(s) on the reporting date as it is committed to continue derivative contracts till their maturity and hence, applying the fair market values presuming that the derivative contracts would be cancelled on the reporting date, shall not reflect the correct financial position. However, the Banks who have entered into derivative contracts with the Company have, intimated that the loss on account of MTM loss is Rs. 7,088.73 lacs as upto 31<sup>st</sup> March, 2014 as against the amount of Rs. 3,391.57 lacs as determined as per the Company's view.
