However, in the absence of sufficient documentation to justify the timing around when these advances are capable of being converted into joint development agreements / acquisition of land and considering that they are not secured, we are unable to comment on the recoverability of these advances and the consequential effect, if any, on the financial results for the quarter ended 30 June 2014.

Auditor's Review Report on the Quarterly Unaudited Consolidated Financial Results of Nitesh Estates Limited pursuant to the Clause 41 of the Listing Agreement

To Board of Directors of Nitesh Estates Limited

2

Review report to the Board of Directors of Nitesh Estates Limited

- 1. We have reviewed the accompanying statement of consolidated unaudited financial results ("the Statement") of Nitesh Estates Limited ('the Company') and its subsidiaries, joint ventures and an associate company as detailed in note 1 of the Statement (collectively referred to as 'Nitesh Group') for the quarter ended 30 June 2014, attached herewith, being submitted by the Company pursuant to the requirement of Clause 41 of the Listing Agreement issued by the Securities and Exchange Board of India ("Listing Agreement") except for the disclosures regarding 'Public Shareholding' and 'Promoters and Promoter Group Shareholding' which have been traced from disclosures made by the Management and have not been reviewed by us. This statement is the responsibility of the Company's Management and has been approved by the Board of Directors at their meeting held on 6 August 2014. Our responsibility is to issue a report on the statement based on our review.
- 2. We conducted our review in accordance with the Standard on Review Engagements ('SRE') 2410, Review of Interim Financial Information performed by the Independent Auditor of the Entity, issued by the Institute of Chartered Accountants of India. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of Company personnel and an analytical procedure applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
- 3. We did not review the unaudited quarterly financial results of three subsidiaries and two joint ventures included in the Statement. The unaudited quarter financial results of these subsidiaries and joint ventures reflect total revenue including other income of Rs. 408 lakhs for the quarter ended 30 June 2014 and total assets of Rs 20,416 lakhs as at 30 June 2014. The financial information for these subsidiaries and joint ventures have been reviewed by the other auditors whose review reports have been furnished to us, and our opinion on the Statement is based solely on the review reports of the other auditors.

- 4. As stated in note 4 of the consolidated financial results, the Group has advanced an amount aggregating Rs 15,834 lakhs as at 30 June 2014, to various parties for purchase/joint development of land/ properties, purchase of transferable development rights as well as construction services. Considering the timeline of these advances, the same should have been converted into acquired land / joint development agreements or these amounts should have been recovered. Management continues to believe that these advances have been made to parties for which a joint development agreement/ acquisition of land will get consummated and in the event that it does not consummate, these advances can be recovered. However, in the absence of sufficient documentation to justify the timing around when these advances are capable of being converted into joint development agreements / acquisition of land and considering that they are not secured, we are unable to comment on the recoverability of these advances and the consequential effect, if any, on the consolidated financial results for the quarter ended 30 June 2014.
- 5. Based on our review conducted as explained in paragraphs 1 and 2, except for the effects of the matter described in paragraph 4 above, and on consideration of reports of other auditors explained in the paragraph 3 above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited consolidated financial results for the quarter ended 30 June 2014, prepared in accordance with applicable accounting standards and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Clause 41 of the Listing Agreement, including the manner in which it is to be disclosed, or that it contains any material misstatement.
