#### **Composite LPG Cylinders:**

The company is pleased to inform that it has already received approval for one of its Composite LPG Cylinder of 10kgs for domestic market from Petroleum & Explosives Safety Organization (PESO), Nagpur, Government of India & the approval of one more size of Composite LPG Cylinders of 5kgs is at an advanced stage and expected to be received shortly.

#### **Construction Business :**

The company has realized Rs.4600 lacs from sale of 29511 sq.ft of the premises. It has further negotiated sale of 52320 sq.ft premises at Supreme Chambers at an aggregate consideration of Rs.9331 lacs & the same is progressing towards completion. An amount of Rs.4580 lacs has since been received & likely to be completed during the current quarter. Appropriate accounting effects shall be given on completion of the transaction. After envisaged sale remaining area for further sale would be about 64000 sq.ft.

#### **Raw Material Scenario:**

During the quarter Oct-Dec, Polymer Prices continue to fall steeply consequent to crude prices scenario globally. Raw Material prices have fallen between 24% to 30% from their peak level across various Polymers thereby causing inventory losses across various product segments. It is expected that the prices should get stabilized by mid february. Looking forward, it would be beneficial for business in terms of better demand opportunities & reduced requirements of working capital.
