The Chairman explained that for the year 2014-15, the Company had show cased good results with a rise in profits. The Chairman informed that the performance of the Kandla Terminals was satisfactory. For the year 2015-16, the Company apprehended competition on account of three new bulk liquid storage terminals which had commenced operations at Pipavav Port and commencement of Bulk Liquid Terminal at Hazira port. It was possible that some cargo may shift from Kandla to Pipavav and Hazira due to the proximity of these ports to the consumption centres in Mumbai and South Gujarat. This may lead to marginal depression in tank terminalling charges at Kandla.
