Dear Sir,

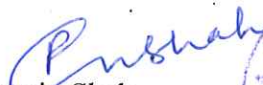

**Sub :- Clarification Sought By Exchange**

With reference to the Increase in Price, we would like to clarify that :

The Company is regular in compliance with the provisions of the Listing Agreement entered into with the Stock Exchanges. We always comply with clause 36 of the listing agreement and we have always informed to the Stock Exchange(s) if any of such information fall within the purview of the above mention clause of listing agreement before making it known to the general public which in our opinion if declared would affect the price of equity shares of the Company.

We further inform that there are no such informations/announcements which are price sensitive in nature and are pending for dissemination to the investors/general public through exchange.

Thanking you,  
For, CIL Nova Petrochemicals Limited
