

**PRESS RELEASE**

**AURIONPRO NAMED IN THE FINTECH 100 FOR THIRD CONSECUTIVE YEAR**

**Improved ranking to 74<sup>th</sup> position reinforces leadership across payments, banking, and digital service offerings**

**Mumbai, 23<sup>rd</sup> October, 2015:** Aurionpro (NSE: AURIONPRO) (BSE: 532668), a technology products and solutions provider that helps enterprises accelerate digital innovation, securely and efficiently, announced today, that it has been included in the FinTech Forward 100 list. This is the third consecutive year that Aurionpro has made it to the elite list of leading technology providers to U.S. Banks.

In the 2015 FinTech Forward 100 listing, Aurionpro has significantly moved up to the 74<sup>th</sup> position. Aurionpro is a leading industry player, with over 63% of its global revenues coming from the Financial Services Industry. The Company specializes in delivering technology software and solutions around payments, lending, and digital customer experience, through a host of products and platforms. Our Aurionpro Customer Engagement (ACE) Platform includes solutions for Digital Branch, Digital Signage, Interactive Communication and Customer Loyalty.

Samir Shah, Chief Executive Officer, Aurionpro said, "We are humbled and honored at receiving this recognition for the 3<sup>rd</sup> consecutive year. This achievement reinforces our sharp focus and dedication to being the digital innovation partner of choice for our clients." He added, "In a world where everything is digital and everything needs to be secured, Aurionpro is at an unique advantage of being able to provide both to clients. We will continue to push the innovation agenda further for our clients."

**About FinTech:**

FinTech Forward, a collaboration of American Banker and BAI, brings together the research, media, and event capabilities of banking's top two professional information and education organizations. The initiative includes the annual FinTech Rankings of technology vendors to the financial services industry and new proprietary research and market analysis conducted by BAI and American Banker to identify the forces and trends that are motivating technology investments in banking. Aurionpro has previously been named amongst the Top 100 five times in the last seven years.
