Notes:

- The accompanying statement of unaudited consolidated financial results has been reviewed by the Audit Committee and approved by the Board of Directors at its meeting held on 9 November 2015 and has been subjected to a limited review by the statutory auditors of Eros International Media Limited (the 'Company').
- The financial results for the quarter and six months ended 30 September 2015 have been prepared on the basis of accounting policies followed in the preparation of annual financial statements for the year ended 31 March 2015 and quarter ended 30 June 2015.
The excess of the cost to the parent of its investments in a subsidiary over the parent's portion of equity at the date on which investment in the subsidiary is made, is recognised as 'Goodwill'. When the cost to the parent of its investment in a subsidiary is less than the parent's portion of equity of the subsidiary at the date on which investment in the subsidiary is made, the difference is treated as 'Capital Reserve' in the consolidated financial statements. Goodwill is tested for impairment at least annually and when events occur or changes in circumstances indicate that the recoverable amount of the cash generating unit is less than its carrying value. Goodwill impairment test is performed at the level of cash-generating unit or groups of cash-generating units which represent the lowest level at which goodwill is monitored for internal management purposes.
