Commenting on the development, Mr. V. Balakrishnan, President – Electrical Projects, said, "Given the thrust in substantial scaling up of investments in Transmission & Sub transmission segment, there is a need for significant addition of new capacities across States. With our domain expertise, we are geared to utilize these emerging opportunities"

These contracts are expected to enable the company to capture the entire value chain in power business in the future. EPD is currently executing EPC contracts worth ₹ 324 Crore for TANTRANSO for setting up 400kV Air Insulated substation at Sholinganallur and another 400kV AIS substation with all associated equipment, systems and civil works at Palavadi in Dharmapuri district.

Including these orders, BGR Energy carries over an order book of ₹ 8373.60 Crore.
