Auditors' Report on Financial results of FAG Bearings India Limited pursuant to Clause 41 of Listing Agreement

To the Board of Directors of FAG Bearings India Limited

We have reviewed the accompanying statement of unaudited financial results ('the Statement') of FAG Bearings India Limited ('the Company') for the period ended 30 September 2015 except for the disclosures regarding 'Public Shareholding' and 'Promoter and Promoter Group Shareholding' which have been traced from disclosures made by the management and have not been audited by us. This Statement is the responsibility of the Company's management and has been approved by the Board of Directors of the Company in their meeting held on 5 November 2015. Our responsibility is to issue a report on these financial statements based on our review.

We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410 "Review of interim financial information performed by the Independent Auditor of the Entity". This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited financial results prepared in accordance with the Accounting Standards notified under Section 133 of the Companies Act, 2013 read with Rule 7 of the Companies (Accounts) Rules, 2014 and other recognised accounting practices and policies has not disclosed the information required to be disclosed in terms of Clause 41 of the Listing Agreement including the manner in which it is to be disclosed, or that it contains any material misstatement.

We draw attention to Note 3 to the Statement in respect of accounting policy for forward contracts. The Company has early adopted and applied the principles of hedge accounting as set out in Accounting Standard (AS) 30, 'Financial Instruments: Recognition and measurement' issued by the Institute of Chartered Accountants of India to forward contracts in respect of highly probable transactions or firm commitments. Consequently, the Company has recorded Rs. 32.4 million representing mark to market gain in the Cash flow hedge reserve as at 30 September 2015. Our opinion is not qualified in respect of this matter.
