Detailed Performance Overview discussed on Slide 29

for Q2 & H1 FY16

- Branded Sales during the quarter saw a growth of 5% Y-o-Y, primarily led by slight improvement in consumer sentiment and moderate recovery in demand environment
 - After a weak first quarter, sales of branded goods have improved marginally, as anticipated in Q2 FY16
 - However, growth in H1FY16 over H1 FY15 has been flattish as the festival season in the current year have meaningfully spilled over into Q3
 - Initial data on consumer sales in the festive season has been on anticipated lines and the Company expects to sustain growth in the remainder of FY16 given the orders on hand and weak base of last year
 - Witnessing improved consumer demand in Institutional channels
-
- *The Company has already undertaken initiatives like new market consolidation, focus on products with value added features, entry into modern retail and ecommerce business formats , focus on Export business and enhanced Marketing & Brand Awareness Activities, which are expected to gain renewed momentum in performance in the upcoming quarters*
 - *Execution of the Government order (Awarded in Jan 2015) has been going on at a steady pace. As of Q2 FY16, Rs. 311 crore worth of orders have been executed, which have resulted in a positive impact on the financial performance of the Company*
 - *The Company continues to leverage its strength and position in the Southern markets, while also ensuring optimal execution of its pan-India expansion strategy*
 - *Continued resilient focus on accomplishing Company's long-term secular growth objectives*

Grand Total	178.6	171.1	111.9	4%	60%

- The Retail market has improved marginally, as anticipated, but the outlook continues to remain sluggish especially in South India market. However, the Company expects to post growth given the weak base of last year in H2 FY15
- In the current financial year, Diwali season sales have been divided between Q2 & Q3 whereas a larger proportion of the FY15 season sales were booked in Q2 FY15. Thus, the Y-o-Y growth in Q2 FY16 has been impacted due to higher base effect in Q2 FY15
