TrainingIndustry.com continually monitors the training marketplace for the best providers of IT training.

The selected 2015 Top 20 IT Training List Companies demonstrated excellence in many areas, including:

- Leadership and innovation in IT training
- Breadth of IT training and delivery methods offered
- Company size and growth potential
- Quality and number of clients/users
- Geographic reach
- Awards, recognition, and competitive differentiation

"Our Top 20 IT Training Companies are all excellent examples of organizations that provide training programs on new technologies in a continuously evolving space," said **Ken Taylor**, President, Training Industry Inc. "While the segment itself has shown relatively slow growth, these organizations stand out covering all critical topics in engaging and effective ways."

"IT training and technology customer education for the world's leading companies remain a focus area for NIIT. We will continue to build on our experience and expertise to deliver innovation, scalability, and value to this dynamic space," said **Sapnesh Lalla**, President – Corporate Learning Group, NIIT Limited.

Devenderjit Chadha, Senior Vice President, Learning Delivery and Operations at NIIT said, "IT training is in our DNA. We started out as an IT training company 34 years ago and we are still continuously innovating in this space to provide value for our customers and their IT training ecosystem. We are honored to be among the Top 20 IT Training companies for the sixth year."

"The 2015 Top 20 list demonstrates the strength of training providers in the technology segment," said **Doug Harward**, Chief Executive Officer, Training Industry Inc. "The IT training market has seen significant growth in demand for online virtual classes, and these providers continue to adjust to the needs of their clients."
