ANNEXURE TO THE NOTICE

EXPLANATORY STATEMENT PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013:

Item No. 1:

Perhaps the Shareholders are aware that the Board, in its Meeting held on 19th February, 2015 after careful and in depth deliberations, in order to tide-over the present situation of concern, had authorized, that needful action be initiated for identifying suitable rented premise/s for housing the Corporate Office and the manufacturing facility of the Company, and also for disposal of landed property (together with appurtenants thereto) situated at Hebbal and Electronic City. This was duly intimated to the Stock Exchanges.

The operations of the Company in the past 7-8 months are relentlessly monitored by your Directors. The Directors, with great concern, have evaluated the continued cash losses, liquidity crunch being faced and the lending institutions not being inclined to extend any financial assistance leading to a very challenging and tough situation in terms of meeting day to day operational expenditures. Efforts are being infused to mitigate these challenges; however, given the current economic and business scenario, the chances of achieving cash break even status seemsto be grim.

Considering the above circumstances, your Directors have reviewed the option of utilizing the idle asset namely properties owned by the Company. In this connection, the Directors have proposed the possibilities of entering in to Joint Venture with any other Business House who could be interested in any kind of arrangement wherein the Company's contribution can be by way of property and the cash infusion be undertaken by such Business House.

The Directors are of the strong belief that the above proposal is in the best interest of the Company and of the Shareholders.
