REVIEW REPORT

To
The Board of Directors,
Bank of Maharashtra,
Pune

We have reviewed the accompanying financial results of **BANK OF MAHARASHTRA** for the quarter/ half year ended September 30, 2015. These financial results are the responsibility of the Bank's management and have been on record by the Board of Directors.

We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, Review of Interim Financial Information Performed by the Independent Auditor of the Entity issued by the Institute of Chartered Accountants of India. A review of Financial Results consists principally of applying analytical procedures to financial data and making enquiries of persons responsible for financial and accounting matters. It is subsequently less in scope than an audit conducted in accordance with the generally accepted auditing standards, the objective of which is the expression of an opinion regarding the financial statements taken as a whole. Accordingly, we do not express an audit opinion.

The financial results incorporate the relevant returns of 20 branches reviewed by us, and unreviewed returns in respect of 1824 branches. In the conduct of our review, we have taken note of the review reports in respect of non-performing assets submitted by the concurrent auditors of 45 branches to the bank management. These review reports cover 54.61 percent of the advances portfolio of the bank.

Based on our review as aforesaid, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited financial results prepared in accordance with accounting standards and relevant prudential norms issued by the Reserve Bank of India in respect of Income recognition, asset classification, provisioning and other related matters, has not disclosed the information required to be disclosed in terms of clause 41 of the Listing Agreement including the manner in which it is to be disclosed or that it contains any material misstatement.
