

Cambridge Technology Enterprises expands presence in India with a centre in Chennai
Leading technology service provider to tap the talent pool in and around Chennai

Chennai, India, 24 November 2015 - Cambridge Technology Enterprises Ltd (NSE: CTE) (BSE: 532801), an IT services leader focused on the convergence of big data and cloud, today announced its expansion in India with an office in Chennai.

CTE's Chennai office at Mount Road, Royapettah will focus on managed services, sales, and project delivery. This expansion will provide CTE a footprint in the region while tapping fresh and experienced talent in and around the 'innovation hub'. While CTE plans to grow in the domain of cloud and big, this move is sure to benefit at this juncture.

On this expansion, Aashish Kalra, Chairman of CTE said, "Last week we opened our office in Louisville, Kentucky. This demonstrates our commitment to building long term relations with our customers and our focus in the mid-west region of the US".

He further added, "Getting the right talent is one of the major challenges we are facing. To cater to this, we have expanded to Chennai, which has a talent pool of technical expertise. With this measure, we are targeting our recruitment efforts to tap talent in and around the city. Our priority is hiring the right talent, and growing our employee base is one of the measures to reach to scale while we continue to increase our revenue".
