

REVERA PRA Customer Community is now more connected

Mumbai, 9th December, 2015: Accelya, a leading solutions provider of financial and business intelligence solutions to the Airline industry, has introduced an online forum for its REVERA PRA customers.

REVERA PRA is a flagship solution from Accelya. Over the last two decades, REVERA PRA has enabled airlines of all types and sizes to simplify their revenue accounting process. air berlin, bmi Regional, Etihad Airways, Flybe, JAL, Kenya Airways, LATAM Airlines Group, Thai Airways, Turkish Airlines and Vueling are just a few amongst the large and growing number of REVERA PRA customers.

While REVERA PRA customers are closely connected via the User Meet and the Strategic Product Group (SPG) forums, an online forum makes it faster and easier for them to reach out to each other.

Philip Fernandes, EVP - Revenue Accounting Practice, Accelya, shared “We at Accelya listen to our customers’ suggestions. These are valuable inputs in defining REVERA PRA roadmap and strategy. With the online forum, we look forward to even greater enthusiasm and participation from our customers.”

Speaking on the occasion, **Stephen Griffiths, Head - Financial Services, Flybe and Chairperson - REVERA (PRA) Strategic Product Group**, said, “As the SPG Chairperson and a representative of REVERA PRA Community, I welcome this initiative and look forward to engaging with the community more frequently.”

An Online Community will enable REVERA PRA customers to:

- Discuss trends, initiatives and best practices in Revenue Accounting and Airline Finance
- Share ideas, thoughts and insights with other REVERA users
- Suggest ideas or features in REVERA
- Know and contribute to the product roadmap
- Share and find answers to common queries and issues, collectively as a community
- Get quick and easy access to all information related to REVERA
- Plan and register for trainings and User Meets

About Accelya

Accelya is a leading provider of financial and business intelligence solutions to the Airline and Travel industry. Accelya helps airline and travel companies manage their financial processes and gain insights into their business performance.

Accelya's expertise spans across all critical airline financial processes - BSP Processing, Revenue Accounting, Audit & Revenue Recovery, Card Management, Miscellaneous Billing, Cost Management and Business Intelligence. Accelya partners with airlines right from the time a ticket or an air waybill is issued, all the way through its entire financial life cycle, until the data is converted into actionable decision support.

With over 200 airline customers, our operations are spread across 9 countries and Accelya employs over 2000 professionals worldwide.

Accelya has been voted as 'Reader's Choice Company 2015' and 'IT Company of the Year 2014' at Air Transport News Awards and 'Information Technology for the Air Cargo Industry' at ACW World Air Cargo Awards 2014. Visit us at: www.accelya.com
