---	---

Dear Sir/Madam.

Sub: Submission of information – New Order, pursuant to Regulation 30(4) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 Reg.,

.....

We are glad to inform you that our Company in Joint Venture with M/s. Vishwa Infrastructures and Services Pvt. Ltd. has bagged a new order from Government of Mizoram, as detailed below:

Name of the Employer	Name of Work	Value of the Contract
State Investment Program Management & Implementation Unit (SIPMIU), Urban Development & Poverty Alleviation Department (UD&PA), Government of Mizoram	Contract for Water Distribution Networks and Feeder mains at Aizwal (Contract package no. P & S N/WS/AIZ/T-3/NC B-1)	Rs.143.42 Crs

The project involves the construction and completion of water distribution & feeder mains by providing and laying DI pipes of 185 Km and GI pipes of 71 Km as well as some road restoration. The project is being financed by the Asian Development Bank (ADB) and shall be completed in 48 months. The resulting infrastructure will supply water to the city of Aizwal, the capital of Mizoram.

This is the company's first foray into the fast growing and specialized water supply EPC industry, and Gayatri expects to significantly ramp-up its presence in this space over the next 2-3 years. The Government's 12th Five year plan document envisaged an investment of Rs. 255,319 crores in the water supply and sanitation industry from 2012-17. A new focus on smart city projects & "Swachh Bharat Abhiyan" will lead to further increased investment in the water management and

Continuous Sheet

sanitation space. Increasing the order-book share of such specialized industries would protect Gayatri from both excessive competition and cyclical slow-downs in the general construction space, and would potentially yield higher margins.

This is for your information and dissemination please.

Thanking you,

Yours truly,

For **GAYATRI PROJECTS LIMITED**
