

MARSONS ATTAINS PGCIL CERTIFICATION

Marsons being one of the most reputed vendors established since 1957 in Eastern and North East India is rapidly becoming the preferred choice for various large scale EPC contractors and private clients.

We are proud to inform that PGCIL has approved us as Certified vendor for supplying Power Transformers upto 10 MVA 33 KV Class. Further, Marsons is expecting approval upto 50MVA 132 KV Class very soon.

Furthermore, Marsons, which is PGCIL approved vendor, has joint hands with companies like Siemens and Sterling Wilson to supply for the PGCIL projects in the North East India. With a prestigious order book and many more in the pipeline, *Marsons Limited is raring to go and achieve greater heights.*
