NOTES:

- The above unaudited financial results have been reviewed by the Audit Committee and approved by the Board of Directors of the Company at their respective meetings held on February 3rd, 2015. The Statutory Auditors of the Company have reviewed the said results.
- The entire operations of the Company relate to two broad segments viz. 'Ferro Alloys' and 'Power'.
- In accordance with the requirements of Schedule II to the Companies Act, 2013, the Company reassessed the remaining useful lives of tangible fixed assets with effect from April 1st, 2014, based on internal technical evaluation. Accordingly, their carrying values as on that date, net of residual values, are depreciated over their revised remaining useful lives. As a result of this change, the depreciation charge for the quarter and nine months ended December 31st, 2014 was lower by Rs. 7.20 crores and Rs. 21.56 crores respectively. In terms of MCA notification dated 29th August, 2014 amending Schedule II, the carrying amount of assets (after retaining the residual value), whose remaining useful lives have been reassessed to be nil as at April 1st, 2014, has been recognised in the Statement of Profit and Loss as an exceptional item.
- The Hon'ble Supreme Court of India vide its Order dated September 24th, 2014 cancelled a number of coal blocks allotted to various companies including 'Utkal C' block held by Utkal Coal Ltd (UCL), an SPV in which the Company holds 79.2% equity. Subsequently, on October 21st, 2014, The Coal Mines (Special Provisions) Ordinance, 2014 was promulgated to facilitate auction of coal blocks which, inter alia, provided for compensation to a prior allottee. Accordingly, UCL has furnished details of its investments made on land, mine infrastructure etc for determination of the compensation amount by the nominated authority and presently no provision is deemed necessary against the Company's exposure in UCL as at December 31st, 2014 amounting to Rs 110.88 crores invested as equity, Rs 140.79 crores given as unsecured loan and Rs 92 crores as guarantee to a financial institution for loan availed by UCL.
- In view of the circumstances detailed above and in terms of paragraph 9 of Accounting Standard 9 on "Revenue Recognition", with effect from October 1st, 2014 the Company has not recognised income from interest on unsecured loan given to UCL. Due to this, Net Loss for the quarter and nine months ended December 31st, 2014 is higher by Rs 4.39 crore.
- Operations during the quarter was affected due to closure of Sukinda mine until September 30th, 2014 and consequent lower production and inventory levels. With the mines restarting, all furnaces have since been switched on and operations have stabilised.
- Figures pertaining to the previous year / period have been regrouped / rearranged, reclassified and restated, wherever considered necessary, to make them comparable with those of current period.

**Review Report to,
The Board of Directors,

1. We have reviewed the accompanying Statement of Standalone Unaudited Financial Results of **Indian Metals and Ferro Alloys Limited** ('the Company'), for the quarter & nine months ended December 31, 2014 ('the Unaudited Financial Results'), except for the disclosures in Part II with respect to 'Particulars of Shareholding' and 'Investor Complaints' which have been traced from the details furnished by the Company's Management. The Unaudited Financial Results is the responsibility of the Company's Management and has been approved by the Board of Directors. Our responsibility is to issue a report on the Unaudited Financial Results based on our review.
2. We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Unaudited Financial Results are free of material misstatement. A review is limited primarily to inquiries of Company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
3. Based on our review conducted as stated above, nothing has come to our attention that causes us to believe that the accompanying Unaudited Financial Results prepared in accordance with applicable Accounting Standards as specified under Section 133 of the Companies Act, 2013 and other recognised accounting practices and policies has not disclosed the information required to be disclosed in terms of Clause 41 of the Listing Agreement, including the manner in which it is to be disclosed, or that it contains any material misstatement.
4. We draw attention to Notes 4 & 5 to the Unaudited Financial Results regarding certain matters arising out of cancellation of allotment of 'Utkal C' coal block being held by Utkal Coal Limited, a subsidiary of the Company, vide the Hon'ble Supreme Court of India's Order dated September 24th, 2014 and the subsequent promulgation of The Coal Mines (Special Provisions) Ordinance, 2014 dated October 21st, 2014.
Our report is not qualified in respect of these matters.
