REVIEW REPORT ON THE UNAUDITED RESULTS FOR THE QUARTER ENDED DECEMEBR 31, 2014.

1. Introduction

We have reviewed the accompanying statement of unaudited financial results of PAE Limited., for the quarter ended December 31, 2014, except for the disclosures regarding 'Public Shareholding' and 'Promoter and Promoter Group Shareholding' which have been traced from disclosures made by the management and have not been audited by us. This statement is the responsibility of the Company's Management and has been approved by the Board of Directors at its meeting held on February 6, 2015. Our responsibility is to issue a report on these financial results based on our review.

2. Scope of Review

We conducted our review in accordance with Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

3. Basis for Qualified Conclusion

The company has made Long Term Investment of Rs 785.66 lacs in its subsidiary, Shurjo Energy Pvt Ltd. (SEPL). It has also given loans and advances of Rs 794.23 lacs which is recoverable as at end of current quarter.. Its accumulated loss as at the end of the nine months period amounting to Rs 1103.37 lacs has exceeded its Net Worth. Despite this, for the reasons mentioned in Note No. 3 of Notes to published results, the company is of the opinion that no diminution is required in the value of its long term investment in the subsidiary. Also the loans and advances given to SEPL are considered as fully recoverable. However we do not have appropriate audit evidence to determine the extent of adjustments that may be required to the carrying value of the said investment or to the value of loans and advances recoverable from SEPL
