7. Key Developments in India Operations:

a. RCom partners with Facebook to spread internet inclusion in India:

RCom entered an industry-first partnership with Facebook to offer free data access to useful websites to its customers through Internet.org portal.

These services are available for Reliance customers in the telecom circles of Mumbai, Maharashtra, Gujarat, Andhra Pradesh, Chennai, Tamil Nadu and Kerala. The goal is to extend the services to the rest of the country in a phased manner, and gradually add more services and websites.

Customers can now explore what the Internet is all about, and how it can help them in daily life, without having to worry about data charges. These set of services also come with free Facebook access.

b. RCom becomes launch partner of Samsung Z1 Smart-phone: Samsung Z1 is first ever Smartphone built using Samsung's proprietary Tizen OS for the mass customers. RCom is offering this smart-phone at a very attractive price point along with promotional data offer, which makes it an extremely attractive proposition for customers looking at entry level 3G smart-phone.

c. RCom becomes launch partner of Amazon to offer ZTE Grand 2 Smart-phone: ZTE Grand S2 is first ever multimode smart-phone under Rs 13,000 supporting Rev B technology offering 14.7 Mbps speeds. With the objective to acquire more data customers who are choosing entry level Rev B Smart-phones, RCom is offering this smart-phone at an attractive price point along with promotional data offer.

d. Partnership with Huawei for open market 3G Wi-Fi dongles & Mi-Fi devices:

RCom announced new open market partnership with Huawei, the world's leading mobile broadband device manufacturer. This partnership will bring new portfolio of mobile broadband devices such as 3G Wi-Fi dongles (21.6 Mbps) and Mi-Fi devices (21.6 Mbps) for Reliance 3G customers and address the demand for high speed services.

The new 21.6 Mbps Wi-Fi dongle can connect up-to 10 devices simultaneously and the new 21.6 Mbps Mi-Fi device with in-built battery, can support up-to 10 devices simultaneously and has a 4 hours of battery back-up.

e. Launch of “Free Facebook Fridays”:

RCom launched a true value proposition of 'Free Facebook Fridays' for Reliance GSM prepaid customers. Reliance customers can now access Facebook and Facebook Messenger for full day of Friday without any data charge or data pack, every Friday. For customers having a data pack and accessing Facebook, the data quota won't deplete.

This enables existing customers who have a data-device but are not using internet or using internet very intermittently to discover and connect with friends in an uninhibited manner. Once connected, it is expected that they will evolve into pack users and continue using Facebook through the week, free, with our social-network bundled data packs.

f. Launch of "Reliance MyStore" upsell portal:

Reliance MyStore is a unique offering on USSD platform for prepaid GSM subscribers. This Customer Lifecycle Management platform has very attractive offerings across voice, data & SMS. This platform is going to be the single most important medium to manage Customer Lifecycle. The offers are available against three segments; 'Rs. 9 Store', 'Only For You' and 'Flavor of the Month'.

The portal presents a very simple user interface and the customer can purchase an offer from the prepaid balance then and there without having to step out to any Reliance outlet.

g. RCom unveils ‘TalkLoan’ facility to ensure uninterrupted calling, surfing for its customers:

RCom unveiled an innovative TalkLoan service for its pre-paid customers. With the TalkLoan service, customers with a low pre-paid account balance can simply dial a toll-free number and get an instant 'TalkLoan' recharge, which can be used for both voice and data services. The service offers significant benefits to customers who sometimes cannot make important or urgent calls due to insufficient balance. The TalkLoan service provides the customers with an instant loan of Rs 5 or Rs 10, which can be availed of when the balance dips below Rs 10. The talk-time given through the TalkLoan loan facility does not have any validity constraints, and customers can use it anytime they want. The 'loan amount' is recovered by the Company over subsequent recharges, with a nominal transaction fee.

8. Major Rewards & Recognition during the quarter:

- **Economic Times HR Excellence Award, 2014:** RCom received this award for exemplary work ethic and human resource practices, including in the areas of learning and development, talent management and talent acquisitions.
