This Statement has been prepared on the basis of the related interim financial statements, which is the responsibility of the Company's Management and has been approved by the Board of Directors. 2. We conducted our audit of the Statement in accordance with the auditing standards generally accepted in India. Those Standards require that we plan and perform the audit to obtain reasonable assurance about whether the Statement is free of material misstatement. An audit also includes assessing the accounting principles used and the significant estimates made by the Management, as well as evaluating the overall Statement presentation. We believe that our audit provides a reasonable basis for our opinion.
3. For recognising profit on contracts, stage of completion is determined as a proportion that contract costs incurred for the work performed up to the closing date bear to the estimated total costs. With respect to total contract cost being ascertained based on the contract costs incurred and cost to completion of contracts which is arrived at by the management based on current technical data, forecast and estimate of net expenditure to be incurred in future. Owing to the technical nature of the contracts, we have relied on the management estimates relating to the technical aspects/components and other technical inputs/matters considered in the determination of expected cost to completion of the contracts.

Our report is not qualified in this regard.

5. Based on our review conducted as stated above and based on the consideration of the reports of the other auditors referred to in paragraph 3 above and except for the effects of the matter described in paragraph 4 above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the Accounting Standards specified under the Companies Act, 1956 (which are deemed to be applicable as per Section 133 of the Companies Act, 2013 read with Rule 7 of the Companies (Accounts) Rules, 2014) and other accounting principles generally accepted in India has not disclosed the information required to be disclosed in terms of Clause 41 of the Listing Agreements with the Stock Exchanges, including the manner in which it is to be disclosed, or that it contains any material misstatement.

Our report is not qualified in this regard.
7.
