Saudi King Salman replaces crown prince

REUTERS

Riyadh, April 29

Saudi King Salman appointed a new heir and made his young son second in line to rule on Wednesday, a major shift in power within the ultra conservative Saudi elite at a time of almost unprecedented regional turmoil.

By making interior Minister Mohammed bin Nayef, 55, crown prince and Defence Minister Mohammed bin Salman, 30, deputy crown prince, King Salman has effectively decided the line of succession for decades to come in the world's top oil exporter.

The reshuffle also cements relations with the US. Prince Mohammed bin Nayef, who replaces Prince Muqrin, the successor chosen by the late King Abdullah before his death in January, enjoys closer personal ties with US officials than almost any other senior royal, diplomats have said.

In another big shift, Salman replaced veteran Foreign Minister Prince Saud al-Faisal, who had served in the role since October 1975, with the kingdom's Washington Ambassador Adel al-Jubeir, the first non-royal to hold the post.

While Mohammed bin Nayef is a familiar figure both inside the kingdom and in the West for his role in quashing an al Qaeda uprising and leading Saudi policy in Syria, Mohammed bin Salman is comparatively unknown.

Until four months and six days ago, the young Prince Mohammed had only served as head of his father's court, was a virtual stranger to the Saudi public and had had relatively little contact with the kingdom's foreign partners.

Since then, he has become, as Defence Minister, the face of Saudi Arabia's war in Yemen, with his bearded features rarely off television screens or street billboards, and is now established as a central figure.

Oil appointments

The reshuffle also touched the oil sector, hugely sensitive to financial markets as the world's biggest petroleum exporting country holds the key to global supplies. The chief executive of state oil firm Aramco, Khalid al-Falih, was appointed Health Minister, according to the text of the decree published on the official Saudi Press Agency.

As: study

populations, who may not want to make long-term financial commitment in a city.

Urban rental policy

While the higher and middle income members of these groups have the option of hiring apartments and bungalows in upmarket and middle class residential areas, the G and EWS groups are left with hiring rooms and slums in unauthorised colonies and ban villages," he said.

He further said the government is currently working towards the promotion of rental housing stocks through legislative support, including preparing Draft National Urban Rental Policy 2015 and Draft Model Tenancy Act 2015.

"A recommended strategy will lie in addressing issues related to institutional implementation to encourage adoption of the policy at central, state and municipal levels in a time-bound manner," Magazine added.
