Dear Sir,

Sub: Completion of Project and Commencement of Trial run at our new site located at Industrial Park Gajulamandyam- Andhra Pradesh-reg.

In continuation to various communications with the exchange, the Company feels pleasure in announcing the completion and commencement of trial run of the New Smelter on April 24th 2015 located at Industrial Park, Gajulamandyam, Andhra Pradesh to Manufacture Lead & Lead Alloys in addition to the existing Smelter located at Sriperumbadhur, Tamilnadu. The New Smelter has an installed capacity of 36000 MT.per annum. This New Smelter will meet the additional market demand both domestic and international and is a continual effort of the Company to keep abreast with the growing demand of our customers and emerging new markets.

The Board of Directors in their meeting held on 25th April, 2015 has noted and recorded the same. The company will update the exchange the further developments on the project.

Thanking you,

Yours faithfully,
For Pondy Oxides & Chemicals Ltd.,

K.Kumaravel
