<b>TOTAL</b>				

**NOTES :**

- 1) The above results have been reviewed by the audit committee on 29.04.2015 and approved by the Board of Directors at their meeting held on 30.04.2015.
- 2) The Company's operation and its results fluctuate from period to period on account of :
  - i) the delivery schedule of the customers which vary from time to time;
  - ii) the inability of the Company to always increase selling prices in line with cost of imported raw material, the FOB price of which varies substantially from time to time; and
  - iii) exchange fluctuations arising because of the Company's dependence on imports of raw materials and exports of finished products.
- 3) Due to the absence of viable export and domestic orders, the Plants of the Company were shut down during the quarter as under:
  - i) Goa Plant - 11 days ii) Bilaspur Plant - 30 days. iii) Paradeep Plant - 39 days
- 4) The Company's appeal to the High Court of Bombay at Goa against the order of the Income Tax Appellate Tribunal which had confirmed the disallowance of the deduction under section 80HHC of the Income Tax Act, 1961 for Assessment Years 1993-94 to 2004-05 was allowed by the High Court vide its order dated 21.10.2010. The income tax department has filed a Special Leave petition before the Honorable Supreme Court praying for ex-parte stay of the aforementioned Order of the High Court. The petition is yet to be admitted.
- 5) The Company's wholly owned step down subsidiary company "Goa Carbon (Cangzhou) Company Limited" China (the "China Company") had obtained a business licence to set up a plant in Cangzhou, Hebei Province, the People's Republic of China, with an annual capacity to manufacture 3,00,000 MT of Calcined Petroleum Coke. The Company had invested USD 3.48 million (₹ 1,938.62 lacs) in its wholly owned subsidiary "GCL Global Resources SGP Pte Limited" Singapore (the "Singapore Company") which is the holding company of the China Company. The Singapore Company has in turn invested this money in 3,329,983 Equity Shares of USD 1 each to the authorised capital of the China Company for the purpose of setting up of the plant in China.

Consequent to the decision taken by "Cangzhou Economic Development Zone, China" to cancel the land allotted to "the China Company" on grounds that the proposed plant falls under "high energy consuming industries", the Company has been compelled by circumstances beyond its control to withdraw the proposed project to be set up in China. Accordingly the Singapore Company has provided for the diminution in the value of its investments in the China Company and Company being the Ultimate Holding Company has also provided ₹ 1,002.81 lacs towards the diminution in the value of investment in the Singapore Company.
- 6) The Company operates only in one segment i.e. manufacture and sale of Calcined Petroleum Coke.
- 7) The figures for the quarter ended 31st March, 2015 are balancing figures between the audited figures in respect of the full financial year and the published year-to-date figures upto the third quarter of the current financial year.
- 8) The Board of Directors has recommended a dividend of ₹ 1/- per equity share of ₹ 10/- each subject to the approval of the shareholders at the ensuing Annual General Meeting.
- 9) Figures for the previous periods / year have been regrouped / rearranged, as necessary, to conform to the current period's classification.
