Sub : Successful fund raising of Rs 112 crs by an Indian Subsidiary of the Company

Dear Sir/Madam,

We are glad to announce that Sustainable Agro commercial Finance Limited(SAFL),a Non Banking Finance Company(NBFC), and subsidiary of the Company, has successfully raised funds consisting of tier 1 and tier 2 capital aggregating Rs.112 crores, in a mix of Equity Shares at premium(Rs.42 crs) and long tenure debt (6 yrs) in form of 10% unsecured Non Convertible Listed Debentures (Rs.70 crs) yesterday. This has raised the tier 1 and tier 2 capital of the SAFL to Rs. 208 crs. This fund raising will help SAFL to grow substantially in next few years, as it had no debt prior to the above transaction. SAFL has so far served over 15,000 farmers since its inception in 2012 and it continues to pursue its growth plans.

The investment has been made by Mandala Capital AG Limited ("Mandala") a UK based entity focused on agri business in South East Asia. Post the investment Mandala holds 20% of the capital of SAFL while JISL's shareholding has come down to 49% as was originally planned at start of SAFL's operations in 2012.

This will help the JISL to further grow its MIS and other product sales to small and marginal farmers in Maharashtra and adjoining states in next fiscal year. It would also help the Company to improve its working capital cycle further.

Please acknowledge.

Thanking you,

Yours faithfully,
For Jain Irrigation Systems Ltd.,

Company Secretary
