COMPANY COMMENCED COMMERCIAL OPERATIONS OF SATPURA TRANSMISSION LINE BOOT PROJECT

Gandhinagar, April 9, 2015: Kalpataru Power Transmission Limited has commenced commercial operations of its second transmission line BOOT project. The transmission line project has been setup for evacuation of 2X250 MW state power project at Satpura in the state of Madhya Pradesh. The project scope involves design, financing, construction and commissioning and operation and maintenance of 240 kms of 400 KV transmission line.

Company would own the project for 25 years with an extension of 10 years. Company has won this BOOT project with the quoted grant of Rs 60.75 crore.

The second of its kind project executed by company within record time of 16 months through its SPV namely Kalpataru Satpura Transco Private Limited. The project will generate annuity revenues of approx. Rs. 38 cr per annum.

Commenting on the announcements, Mr Ranjit Singh (Managing Director) said *“Satpura – Ashta transmission line in MP is the second successful implementation of a DBFOT project by KPTL in the Transmission Sector. This establishes us as a pioneer and innovator as a private player in the transmission sector. This project will add around Rs. 38 Crores of annuity to our annual income and is part of our growth cum diversification strategy.”*
