CODE OF CONDUCT FOR REGULATING, MONITORING AND REPORTING OF TRADING BY INSIDERS

[Regulation 9 (1) of SEBI (Prohibition of Insider Trading) Regulations, 2015]

1. INTRODUCTION :

Insider Trading means trading in securities of a company by its Directors, Employees or other Insiders based on Unpublished Price Sensitive Information. Such trading by Insiders erodes the Investors' confidence in the integrity of the management and is unhealthy for growth of the capital market.

The Securities and Exchange Board of India in its endeavor to protect the interests of investors in general and for the orderly and healthy growth of the capital markets, had formulated the SEBI (Prohibition of Insider Trading) Regulations, 1992. These Regulations came into force with effect from November 19, 1992 and were applicable to all companies whose shares were listed on the stock exchanges.

In order to strengthen the legal and enforcement framework, align the Indian regime with international practices, provide clarity to definitions and concepts, and facilitate legitimate business transactions, SEBI had constituted an 18 member committee under the Chairmanship of Justice N. K. Sodhi to review the Regulations. The recommendations of the Committee were considered and approved by the SEBI Board in its meeting held on November 19, 2014 and accordingly, SEBI replaced the 22 year old 1992 Regulations with the SEBI (Prohibition of Insider Trading) Regulations, 2015 (the "Regulations") through a notification dated January 15, 2015. The new Regulations take effect from May 15, 2015.

Insider Trading is a civil and a criminal offence under Indian Laws and the penalties for violating the laws include imprisonment, disgorgement of profits, civil and criminal fines.

Insider Trading is also prohibited by this Policy and any violations could result in serious sanctions.

Regulation 9 (1) of the SEBI (Prohibition of Insider Trading) Regulations, 2015 mandates inter-alia every listed company to formulate a Code of Conduct setting out minimum standards prescribed in Annexure 'B' to the said Regulations, to regulate, monitor and trading by its employee and other connected persons.

Accordingly, the Board of Directors of the Company has approved and adopted this Code of Conduct to regulate, monitor and trading by its Director, Employees and other Insiders and Connected Persons. The new Code of Conduct, which replaces the existing Code of Conduct, shall become effective from May 15, 2015.

This Code of Conduct is based on the principle that the Directors, Officers and Employees of the Company owe a fiduciary duty to, among others, the shareholders of the Company to place the interest of the shareholders above their own and conduct their personal securities transactions in a manner that does not create any conflict of interest situation.

Further, the Code also seeks to ensure timely and adequate disclosure of Price Sensitive Information to the investor community by the Company to enable them to take informed investment decisions with regard to the Company's securities.

ADHERENCE TO THE CODE BY ALL DESIGNATED PERSONS IS MANDATORY.

The same is true in case of sale of shares on two different dates i.e. the restriction of six months on purchase of shares would apply from the date of the last sale."

SCHEDULE - I

III. EFFECTIVE DATE :

The Code will be effective from May 15, 2015.

IV. PRINCIPLES OF FAIR DISCLOSURE :

TRADING PLAN IN NUTSHELL

1. The concept of 'Trading Plan' has been adopted on the lines of Rule 10b5-1 of the Exchange Act, 1934 of U.S.A.
2. One of the reasons for introducing the concept of 'Trading Plans' under the new Insider Trading Regulations, 2015 is to give an option to persons who may be perpetually in possession of Unpublished Price Sensitive Information (UPSI) to trade in securities in a compliant manner.
3. This provision would enable an Insider to formulate trading plans for trades to be executed in future.
4. By doing so, the possession of UPSI when a trade under a trading plan is actually executed would not prohibit the execution of such trades that he had pre-decided even before the UPSI came into being.
5. Every Insider shall submit his/her trading plan in advance to the Compliance Officer for his approval in the prescribed form (Annexure - II).
6. The Compliance Officer may ask for additional undertakings from the insiders for approval of the trading plan.
7. Such trading plan on approval will also be disclosed to the Stock Exchanges, where the securities of the Company are listed.
8. The trading plan shall comply with requirements as follows:
 - (i) It shall be submitted for a minimum period of 12 months.
 - (ii) No overlapping of plan with the existing plan submitted by the Insider. Multiple trading plans for the same period shall not be permitted.
 - (iii) It shall set out either the value of trades to be effected or the number of securities to be traded along with the nature of the trade and the intervals at, or dates on which such trades shall be effected.
 - (iv) Trading can only commence only after 6 months from public disclosure of the plan.
 - (v) No trading allowed between 20th day prior to closure of financial period and 2nd trading day after disclosure of financial results.
 - (vi) No trading plan shall be implemented without the prior approval of the Compliance Officer.
 - (vii) *The trading plan once approved shall be irrevocable and the insider shall mandatorily have to implement the plan, without being entitled to either deviate from it or to execute any trade in the securities outside the scope of the trading plan.*
 - (viii) Trading in securities shall not be permitted in cases where the insider is in possession of price sensitive information at the time of formulation of the plan and such information has not become generally available at the time of the commencement of implementation.
 - (ix) Upon approval of the trading plan, the Compliance Officer shall notify the plan to the stock exchanges on which the securities are listed.

Please note that acting in accordance with the Trading Plan does not confer complete immunity and an Insider may still be liable if such Insider was in possession of certain unpublished price sensitive information at the time of formulation of the Plan, which information has not become generally available at the time of implementation of the Plan.
