3.3 Trading Plan

3.3.1 Trading plan is a plan under which an Insider can trade in Securities even when trading window is closed. It gives an option to Insiders who may be perpetually in possession of Unpublished price sensitive information and enabling them to trade in Securities in a compliant manner. This provision would enable the formulation of a trading plan by an insider to enable him to plan for trades to be executed in future. By doing so, the possession of Unpublished price sensitive information when a trade under a trading plan is actually executed would not prohibit the execution of such trades that he had pre-decided even before the Unpublished price sensitive information came into being.

3.3.2 Every Insider shall be entitled to formulate a trading plan and present it to the Compliance Officer for approval and public disclosure pursuant to which trades may be carried out on his behalf in accordance with such plan.

3.3.3 While presenting the trading plan, following points shall be kept in mind:

a) There must be a gap of 6 months between the public disclosure of plan and commencement of trading.

In any case, it should be remembered that this is only a statutory cool-off period and would not grant immunity from action if the Insider was to be in possession of the same Unpublished price sensitive information both at the time of formulation of the plan and implementation of the same.

b) In any case, trading will not be permitted between the twentieth trading day prior to the last day of any financial period for which results are required to be announced by the Company and the second trading day after the disclosure of such financial results.

c) Trading plan shall entail trading for a period of not less than twelve months.

d) Trading plan shall not entail overlap of any period for which another trading plan is already in existence.

e) Trading plan shall set out either the value of trades to be effected or the number of Securities to be traded along with the nature of the trade and the intervals at, or dates on which such trades shall be effected.

f) Trading on the basis of such a trading plan would not grant absolute immunity from bringing proceedings for market abuse.

3.3.4 While granting the approval, the Compliance Officer shall be entitled to seek such express undertakings as he may think necessary to assess and approve the plan.

3.3.5 The trading plan once approved shall be irrevocable and the Insider shall mandatorily have to implement the plan, without being entitled to either deviate from it or to execute any trade in the Securities outside the scope of the trading plan.

Provided that the implementation of the trading plan shall not be commenced if any Unpublished price sensitive information in possession of the Insider at the time of formulation of the plan has not become generally available at the time of the commencement of implementation.

3.3.6 Once the trading plan is approved, the Compliance Officer shall notify the plan to the stock exchanges on which the Securities are listed.

3.4 **Pre-clearance of Trades**

3.4.1 All Directors/Key Managerial Personnel/Designated Employees and their Dependents who intend to deal in the Securities of the Company shall pre-clear the intended transactions including those of 'Dependent' in the Securities of the Company as per the pre-dealing procedure described hereunder.
