**The Board of Directors of Dynamatic Technologies Limited**

We have audited the accompanying Statement of Consolidated Financial Results ('the Statement') of Dynamatic Technologies Limited ('the Company'), its subsidiaries and an associate as detailed in note 1 of the Statement (collectively referred to as 'the Dynamatic Group') for the year ended 31 March 2015 ('current year'), attached herewith, being submitted by the Company pursuant to the requirements of Clause 41 of the Listing Agreement issued by the Securities and Exchange Board of India ("Listing Agreement"), except for the disclosures regarding 'Public Shareholding' and 'Promoter and Promoter Group Shareholding' which have been traced from disclosures made by the Management and have not been audited by us. Attention is drawn to the fact that the figures for the quarter ended 31 March 2015 and 31 March 2014 as reported in the Statement are the balancing figures between audited figures in respect of the full financial year and the published year to date figures up to the end of the third quarter of the relevant financial year. Also the figures up to the end of the third quarter had only been reviewed and not subjected to audit.

The Statement has been prepared on the basis of the consolidated financial statements of the current year and reviewed quarterly financial results up to the end of the third quarter, which are the responsibility of the Company's Management. Our responsibility is to express an opinion on the Statement based on our audit of the consolidated financial statement of the current year which has been prepared in accordance with the recognition and measurement principles laid down in the Companies (Accounting Standards) Rules, 2006 as per Section 133 of the Companies Act, 2013 and other accounting principles generally accepted in India and in compliance with Clause 41 of the Listing Agreement.

We conducted our audit in accordance with the auditing standards generally accepted in India. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the Statement is free of material misstatement(s). An audit includes examining, on a test basis, evidence supporting the amounts disclosed in the Statement. An audit includes assessing the accounting principles used and significant estimates made by Management. We believe that our audit provides a reasonable basis for our opinion.

We did not audit the financial statements and other financial information of certain subsidiaries which have been incorporated in the Statement. These subsidiaries account for 42.87% of total assets as at 31 March 2015, 72.10% of the aggregate of total income from operations (net) and other income and Rs 3,953 lacs net increase in cash and cash equivalents for the current year, as shown in the Statement. Of the above:

- a. The financial statements and other financial information of some of the subsidiaries incorporated outside India as drawn up in accordance with the generally accepted accounting principles of the respective countries ('the local GAAP') have been audited by other auditors duly qualified to act as auditors in those countries. These subsidiaries account for 42.24% of total assets as at 31 March 2015, 71.82% of the aggregate of total income from operations (net) and other income and Rs 4,068 lacs net increase in cash and cash equivalents for the year ended 31 March 2015, as shown in the Statement. For the purposes of preparation of the Statement, the aforesaid local GAAP financial statements have been restated by the Management of the said entities so that they conform to the generally accepted accounting principles in India. This has been done on the basis of a reporting package prepared by the Company which covers accounting and disclosure requirements applicable to the Statement under the generally accepted accounting principles in India. The reporting packages made for this purpose have been audited by the other auditors and reports of those other auditors have been furnished to us. Our opinion on the Statement, insofar as it relates to these entities, is based on the aforesaid audit reports of these other auditors.

- b. The financial statement and other financial information of a subsidiary incorporated outside India as drawn up in accordance with the local GAAP has been audited by other auditor duly qualified to act as auditor in that country. For the purposes of preparation of the Statement, the aforesaid local GAAP financial statements have been restated by the Management so that they conform to the generally accepted accounting principles in India. Further, the financial statement and other financial information of a subsidiary incorporated in India has been audited by other auditor whose report has been furnished to us by the Management. Our opinion on the Statement is based on the aforesaid audit report of the other auditor. These subsidiaries account for 0.63% of total assets as at 31 March 2015, 0.28% of the aggregate of total income from operations (net) and other income and Rs 115 lacs net decrease in cash and cash equivalents for the current year as shown in the Statement.

We also did not audit the financial statements of an associate, whose financial statements reflect share of profit of the Company aggregating Rs 8 lacs for the year ended 31 March 2015.

In our opinion and to the best of our information and according to the explanations given to us the Statement:

- (i) is presented in accordance with the requirements of Clause 41 of the Listing Agreement in this regard; and
- (ii) give a true and fair view of the net profit and other financial information of the Dynamic Group for the current year.

Further, we also report that we have, on the basis of the books of account and other records and information and explanations given to us by the Management, also verified the number of shares as well as percentage of shareholdings in respect of aggregate amount of public shareholdings, as furnished by the Company in terms of Clause 35 of the Listing Agreement and found the same to be correct.
