

Appointment of Senior Vice-President and Head, Europe.

Chennai, 20th May, 2015:

Saksoft Limited (BSE: 590051) (NSE: SAKSOFT), an Information Management Specialist company, announced the appointment of

Mr. Amit Chatterjee as Senior Vice-President and Head, Europe.

Amit has over twenty four years in sales and sales management in the IT and the outsourcing industry with ICL, IBM, HP, Syntel, Xansa and TechMahindra. He has held business development roles across various industry segments, Telecoms, Financial Services, Retail, Hi-tech manufacturing, Software and Internet infrastructure.

Amit has a strong business and technology foundation and a proven ability to effectively strategize and sell technology solutions, conceive business plans and implement them to grow market share. Amit's experience lies in leading high growth sales organizations, leading Mergers & Acquisition efforts, driving strategic alliances and managing client engagement organizations.

Amit joins Saksoft from Syntel, Europe where he served as Senior Vice President and Head-Europe since November 2008 .

Amit has a Bachelors degree in Economics and a Masters in Business administration.
