EXPLANATORY STATEMENT PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013

With an objective of rewarding the equity shareholders, through return of surplus cash, pursuant to sale of the Company's Kolshet land, the Board at its meeting held on April 22, 2015 has approved the proposal of recommending buyback of equity shares as contained in the resolution in the Notice. As per the requirements of Section 102 of the Companies Act and other applicable provisions of the Companies Act and Buyback Regulations, the Explanatory Statement contains relevant and material information to enable the equity shareholders to consider and approve the special resolution on the Buyback.

Requisite details relating to the Buyback are given below:

(a) Rationale of Buyback:

Share buyback is the acquisition by a company of its own shares. The objective of the Buyback is to return surplus cash to the equity shareholders of the Company. The Buyback through Tender Offer route gives an option to all the equity shareholders, including the promoter shareholders, to receive the surplus cash by participating in the Buyback.

Subsequent to the sale of the Company's Kolshet land, the board at its meeting held on April 22, 2015 considered various alternatives for rewarding the equity shareholders. After considering several factors and benefits to the equity shareholders, the Board of Directors decided to recommend Buyback of up to 35,78,947 (Thirty Five Lakhs Seventy Eight Thousand Nine Hundred Forty Seven only) equity shares of the face value of Rs.10/- each (representing 13.42% of the total number of the equity share capital of the Company) at the price of Rs. 950/- (Rupees Nine Hundred Fifty Only) per equity share ("Buy Back Price") aggregating to Rs. 340 Crore (Rupees Three Hundred Forty Crore only). Buyback is a more efficient form of distributing surplus cash to the equity shareholders compared to other alternatives including interim dividend, inter-alia, for the following reasons:

- I. The Buyback gives an option to the equity shareholders, who can choose to participate and get cash in lieu of Equity Shares to be accepted under the Buyback Offer or they may choose not to participate thereby and enjoy a resultant increase in their percentage shareholding, post the Buyback Offer, without additional investment;
- II. Since the Buyback Offer proceeds will be taxed as capital gains, as applicable, in the hands of the shareholders, the Buyback Offer would enable the Company to distribute the entire amount so allocated to the equity shareholders in a more efficient manner as compared to dividend distribution which would involve payment of dividend distribution tax and thereby resulting in lower amount being distributed to the equity shareholders;
- III. The Buyback would help in improving certain key financial ratios of the Company;
- IV. The Buyback, which is being implemented through the Tender Offer route as prescribed under the Buyback Regulations, would involve allocation of 15% of the outlay to small shareholders. The Company believes that this reservation of 15% for small shareholders would benefit public shareholders, who would get classified as "small shareholder".

(b) Approval of the Board of Directors of the Company for the Buyback:

With the intent of distribution of surplus cash to the equity shareholders and also taking into account the factors set out in point(a) above, the Board at its meeting held on April 22, 2015 approved the proposal of recommending for the buy back on a proportionate basis from the equity shareholders/beneficial owner of the equity shares of the Company as on the record date, up to 35,78,947 (Thirty Five Lakhs Seventy Eight Thousand Nine Hundred Forty Seven only) equity shares of the face value of Rs. 10/- each (representing 13.42% of the total number of the equity share capital of the Company) at the price of Rs. 950/- (Rupees Nine Hundred Fifty Only) ("Buy Back Price") aggregating to Rs. 340 Crore (Rupees Three Hundred Forty Crore only) which is less than 25% of the aggregate of equity share capital and free reserves of the Company as per audited accounts of the Company for the financial year ended December 31, 2014 through tender offer route as prescribed under the Buyback Regulations hereinafter referred to as the ("**Buyback**") in accordance with the provisions of Articles 8A of the Articles of Association of the Company and subject to the provisions of pursuant to the provisions of Sections 68, 69 and 70 and all other applicable provisions, if any, of the Companies Act.

(c) Method to be adopted for the Buyback:

The Buyback shall be on a proportionate basis from all the equity shareholders of the Company through the "Tender Offer" route, as prescribed under the Buyback Regulations.

As required under the Buyback Regulations, the Company will announce a record date (**the "Record Date"**) for determining the names of the equity shareholders who will be eligible to participate in the Buyback.

In due course, each equity shareholder as on the Record Date will receive a Letter of Offer along with a Tender / Offer Form indicating the entitlement of the equity shareholder for participating in the Buyback.

The equity shares to be bought back as a part of the Buyback is divided in two categories:

- (a) Reserved category for small shareholders; and
- (b) General category for all other shareholders.

As defined in the Buyback Regulations, a "small shareholder" is a shareholder who holds equity shares having market value, on the basis of closing price on the stock exchange having highest trading volume as on Record Date, of not more than Rs. 2,00,000 (Rupees Two Lakhs).

In accordance with Regulation 6 of the Buyback Regulations, 15% (fifteen percent) of the number of equity shares which the Company proposes to buyback or number of equity shares entitled as per the shareholding of small shareholders, whichever is higher, shall be reserved for the small shareholders as part of this Buyback. The Company believes that this reservation of 15% for small shareholders would benefit the public shareholders, who would get classified as "small shareholder".

On the Basis of the holding on the Record Date, the Company will determine the entitlement of each shareholder to tender their shares in the Buyback. This entitlement for each shareholder will be calculated based on the number of equity shares held by the respective shareholder as on the Record Date and the ratio of Buyback applicable in the category to which such shareholder belongs.

Equity shareholders' participation in Buyback will be voluntary. Equity shareholders can choose to participate and get cash in lieu of shares to be accepted under the Buyback or they may choose to not participate and enjoy a resultant increase in their percentage shareholding, post Buyback, without additional investment. Equity shareholders may also accept a part of their entitlement. Equity shareholders also have the option of tendering additional shares (over and above their entitlement) and participate in the shortfall created due to non-participation of some other equity shareholders, if any.

The maximum tender under the Buyback by any equity shareholder cannot exceed the number of equity shares held by the equity shareholder as on the Record Date.

The equity shares tendered as per the entitlement by the equity shareholders as well as additional shares tendered, if any, will be accepted as per the procedure laid down in Buyback Regulations.

Detailed instructions for participation in the Buyback (tender of equity shares in the Buyback) as well as the relevant time table will be included in the Letter of Offer which will be sent in due course to the equity shareholders as on Record Date.

(d) Maximum amount required under the Buyback and the sources of funds from which the Buyback would be financed:

The maximum amount required under the Buyback will be Rs. 340 Crore (Rupees Three Hundred Forty Crore only). The Buyback would be financed out of internal accruals of the Company. The Company shall transfer from its free reserves a sum equal to the nominal value of the equity shares bought back through the Buyback to the Capital Redemption Reserve Account and the details of such transfer shall be disclosed in its subsequent audited Balance Sheet.

The Company confirms that as required under Section 68(2) of the Companies Act, the ratio of the total debt owed by the Company shall not be more than twice the equity share capital and free reserves after the Buyback.

(e) Buyback Price and the basis of arriving at the Buyback Price:

The equity shares of the Company are proposed to be bought back at a price of Rs. 950/- per equity share (the "Buyback Offer Price"). The Buyback Offer Price has been arrived at after considering various factors, such as the average closing prices of the equity shares of the Company on BSE and NSE where the equity shares of the Company are listed, the net worth of the Company and the impact of the Buyback on the earnings per equity share of the Company. The Buyback price of Rs. 950/- per equity share represents a premium of 8.87% and 8.84% over the average closing prices of the Company's equity shares on BSE and NSE respectively for 3 months preceding the date of intimation to the BSE and NSE for the Board Meeting to consider the proposal of the Buyback and 10.12% and 10.12% over the average closing prices of the Company's equity shares on BSE and NSE respectively for 2 weeks preceding the date of intimation to the BSE and NSE for the Board Meeting to consider the proposal of the Buyback.

(f) Number of shares that the Company proposes to buyback and the time limit for completing the Buyback:

The Company proposes to Buyback not exceeding 35,78,947 (Thirty Five Lakhs Seventy Eight Thousand Nine Hundred Forty Seven only) equity shares of face value of Rs.10/- each of the Company. The Buyback is proposed to be completed within 12 months of the date of special resolution approving the proposed Buyback.

(g) Compliance with Section 68(2) (c) of the Companies Act:

The aggregate paid-up share capital and free reserves as at December 31, 2014 is Rs. 1,387.34 crores. Under the provisions of the Companies Act, the funds deployed for the Buyback cannot exceed 25% of the total paid-up capital and free reserves of the Company i.e. Rs. 346.83 crores. The maximum amount proposed to be utilized for the Buyback, is Rs. 340 crores (Rupees Three Hundred Forty crore only) and is therefore within the limit of 25% of the Company's total paid-up equity capital and free reserves as per the audited Balance Sheet as at December 31, 2014.

Further, under the Companies Act, the number of equity shares that can be bought back in any financial year cannot exceed 25% of the total paid-up equity capital of the Company in that financial year. Accordingly, the maximum number of equity shares that can be bought back in the current financial year is 66,65,186 equity shares. Since the Company proposes to Buyback up to 35,78,947 (Thirty Five Lakhs Seventy Eight Thousand Nine Hundred Forty Seven only) equity shares, the same is within the aforesaid 25% limit.
