Hyderabad 29th June 2015: LatestOne.com the largest online store for cables in India offers the PTron HDMI cable with 1.5 meter length at just Rs. 99 with free shipping. The number of electronic and tech gadgets for audio, video, computing, communicating, display and printing in the hands of consumers are growing rapidly. As a result the need to connect them with different pins, cable types, colors and lengths is growing into a complex problem. LatestOne.com is successfully addressing this problem by focusing on cables as a specialized vertical on their online store.

LatestOne.com aims at helping customers select the right type of **HDMI cables**. LatestOne.com has the largest and the widest range of cables in India in its own warehouse. Most of these products are difficult to source either online or offline. They are not only easy to find on **LatestOne.com**, but the quality of the products is guaranteed. The range starts with 1.5 Meter PTron Gold [HDMI cable](#) at Rs.99 only. HDMI cables are available on LatestOne.com varying in length from 1.5 meters to 25 meters.

Mr. Ameen Khwaja, CEO, LatestOne.com said, "We strive to bring together the best and wide range of cables at **LatestOne.com**. We host more than 1,000 varieties of cables on LatestOne.com making it the largest online store for cables in India."

HDMI (High Definition Multimedia Interface) cables are used for transferring uncompressed video data and compressed or uncompressed digital audio data from an HDMI-compliant source device, such as a display controller, to a compatible computer monitor, video projector, digital television, or digital audio device. HDMI is a digital replacement for analog video standards.
