In view of the uncertainty involved in the realization of interest, the interest accrued amounting to Rs. 968.43 lacs up to 12.07.2005 i.e. date of deposit of the decreed amount by the UP Government, and for the period subsequent thereto, has not been recognized as income.

On 19.01.2015, the Hon'ble Supreme Court had decided against the ex-parte decree earlier made in favour of the company. Accordingly, in view of the protracted litigation and uncertainty of the amount realizable, pending settlement of the case, the accrued interest standing at the beginning of the year amounting to Rs. 115.63 Lacs has been provisioned by the Company to comply with the applicable Accounting Standards.

(b) Attention is invited to Significant Accounting Policy I(b), certain items of income and expenditure have been accounted for on cash basis. Impact of such treatment on profits of the year has not been ascertained.

A.S Gill Vs Punjab Communications Limited in which it has directed to pay 30% back wages for the period 11.3.2003 to 30.04.2006. The company has adequately provided for the provisional amount of Rs. 52.35 Lacs in its books of accounts as on 31.03.2015.

d) As per the explanation and information provided to us, the Company has been selected for Disinvestment by Cabinet Committee on Disinvestment, Government of Punjab but no final Decision is respect of disinvestment mode has been taken place during the year under review. Also refer Para 1 of our report on Directions issued u/s 143(5) of the Companies Act, 2013.
