EXPLANATORY STATEMENT PURSUANT TO SECTION 102 OF THE COMPANIES ACT 2013.

Item No. 1 & 2

The Shareholders of the Company by way of Ordinary Resolutions passed by Postal Ballot on 26th December 2011 had authorized the Board of Directors for raising both domestic and foreign currency borrowings through loans, credits etc. upto a limit of ₹ 8000 crore including temporary loans obtained from the Company's bankers in the ordinary course of business.

The Companies Act, 2013 has been notified to become effective from 1st April 2014. The provisions of Section 180(1)(c) of the new Companies Act 2013, provide that the Board of Directors of a Company shall exercise the powers to borrow money, where the money to be borrowed, together with the money already borrowed by the company will exceed aggregate of its paid-up share capital and free reserves, apart from temporary loans obtained from the company's bankers in the ordinary course of business only with the consent of the company by a special resolution.

It is, therefore, proposed to seek the approval of the shareholders to the borrowing limits of ₹ 8000 crore, apart from temporary loans obtained from company's bankers in the ordinary course of business, for both domestic and foreign currency borrowings under section 110 of the Companies Act, 2013 by way of a Special Resolution. Hence, approval of shareholders is solicited vide Resolution No. 1.

Similarly the approval of shareholders was obtained by way of ordinary resolution to create security or charge on the assets of the Company for the purposes of the borrowings. The mortgage and/or charge by the Company of its moveable and/or immoveable properties and/or the whole or any part of the undertaking(s) of the Company in favour of the Lender(s), may fall under the category of disposal of the Company's undertaking(s) within the meaning of section 180 of the Companies Act, 2013 also provides for approval of shareholders by Special Resolution. Hence, approval of the shareholders is solicited vide Resolution No. 2.

None of the Directors of the Company is concerned or interested in the resolutions except to the extent of their respective hobling of equity shares in the Company. Item No. (3)

Section 42 of the new Companies Act, 2013 and Rule 14 (2) of rules notified under Chapter III of the new Companies Act (relating to Prospectus and Allotment of Securities) provide that a company shall not make private placement of its securities unless the proposed offer of securities or invitation to subscribe securities has been previously approved by the shareholders' of the company by a Special Resolution for each of the Offers or Invitations.

The quantum of funds to be raised through domestic / overseas bonds varies in line with fund requirement and market conditions. In the past, the Company has tapped the market generally once in a year for an issue size of ₹ 1000 crore for domestic bonds. However, keeping in view the dynamic nature of markets and to have the flexibility to change the borrowing mix based on change in market conditions, the Company may approach the market to raise approx. upto ₹ 1,000 crore through

domestic bonds and upto USD 330 Million (about ₹ 2,000 crore) through overseas bonds i.e. ₹ 3,000 crore in the aggregate through private placement within the overall borrowing limit Since the approval of shareholders would be required every year, no ceiling for maximum outstanding amount is proposed.

In line with the provisions of the new Companies Act, approval of shareholders by way of special resolution would be required, for borrowing upto ₹ 3000 crore (from domestic as well as overseas market) in aggregate through private placement of bonds during a period of one year from the date of approval by shareholders' within the overall borrowing limits of ₹ 8000 crore approved earlier by shareholders. Hence, approval of the shareholders is solicited vide Resolution No. 3.

The Board of Directors of your Company recommend the Special Resolutions as set out in the accompanied notice for approval of the members through postal ballot. None of the Directors of the Company is concerned or interested in the resolutions except to the extent of their respective holding of equity shares in the Company.

Chennal Petroleum Corporation Limited (CPCL) had been making consistent profits till March, 2011 and had a networth of ₹ 3793 crore as on 31st March, 2012. However, in the Financial Year 2012-13, the company has registered a loss of ₹ 1767 crore, by virtue of which the Net Worth was reduced to ₹ 2026 crore as on 31st March, 2013. In the Financial Year 2013-14, the company has registered a loss of ₹ 344 crore resulting in a further dip in the networth to ₹ 1722 crore.

In line with the provisions of the Sick Industrial Companies (Special Provisions) Act, 1985 CPCL has reported to the BIFR in October 2014 since accumulated losses at the end of financial year 2013-14 resulted in erosion of more than 50% of the company's peak net worth in immediately preceding four financial years as given hereunder.

Year ended 31st March	Net Worth (₹/cr
2010	3,462
2011	3,766
2012	3,793
2013	2,026
2014	1 722

CPCL has reported a loss of ₹ 38.99 crore for the year ended 31.03.2015 and the net worth of the Company as on 31.03.2015 was ₹ 1655 crore

The company has undertaken various measures to improve the Physical as well as the Financial Performance. The Company has achieved excellent physical performance during the year 2014-15 by registering the highest distillate yield of 72.1% and the lowest Fuel & Loss of 8.65%, as a result of various energy conservation and margin improvement measures implemented by the company. The company is also in the process of implementing a Resid Upgradation project at an approved cost of ₹ 3110 Crores, which is expected to help in boosting the bottom line of the company.

There is a need to infuse Capital in CPCL to Improve the networth and enable the Company to improve its Debt Equity Ratio to fund the Resid Upgradation Project, which is critical for the turnaround and long term profitability of the Company. The Resid Upgradation Project was conceived with a Debt Equity Ratio of 2:1. In view of the losses, the Capital Infusion would help CPCL meet the funding requirements of Resid Upgradation Project.

The Company after considering various funding options for infusion of funds in order to boost the networth of the company has recommended the issuance of Non-Convertible Redeemable Cumulative Preference Shares to Indian Oil Corporation Limited (IOCL) on private placement basis as the most viable option.

The Board of Directors of CPCL at the meeting held on 23.05.2015 accorded approval for issue of Preference shares to IOCL on private placement preferential allotment basis on the following terms and conditions:

- 100,00,00,000 Non-Convertible Cumulative Redeemable Preference Shares of ₹ 10/- each for cash at par on private placement basis be offered to IndianOil, the Holding Company aggregating to ₹ 1000 crore.
- The tenure of Non-convertible and Cumulative Preference Shares would be 10 years, with put and call option.
- Dividend rate equivalent to the Post tax yield of AAA rated corporate bond i.e. prevailing 10 year G-sec yield plus spread on AAA rated corporate bond
 i.e., 6.65% would be payable on the Non-Convertible and Cumulative Redeemable Preference Shares. The coupon rate on Preference Shares would be adjusted
 to reflect subsequent changes in tax laws with the consent and approval of the preference shareholders by way of Special Resolution.
- Preference shareholder has a right to vote only on resolutions placed before the shareholders which directly affect their rights attached to preference shares like windling up of the company or repayment of preference shares etc.
- The Non-convertible and Cumulative Preference Shares shall be redeemed only out of the profits of the Company which would otherwise be available for Dividends or out of proceeds of fresh issue of preference shares made for the purpose of redemption.
- A Capital Redemption Reserve shall be created for the purpose of Redemption.
- The Non-Convertible Cumulative Redeemable Preference Shares will not be listed in any of the Stock Exchanges, since the same is on Private Placement basis.

The proposal to issue of such Preference Shares to Indian Oil Corporation Limited on Private Placement preferential allotment basis requires the approval of the shareholders by way of a Special Resolution.

The current Authorised Share Capital of Chennai Petroleum Corporation Ltd. (CPCL) is ₹ 400 crores divided into 40,00,00,000 Equity Shares of ₹ 10/- each. The paid up capital as on 31.03.2015 comprises of 14.89 crore Equity shares of ₹ 10/- each amounting to ₹ 149 crore. CPCL is a subsidiary of Indian Oil Corporation Ltd. (IndianOil) by virtue of 51.89% of paid up equity capital being held by IndianOil. The other major shareholder is Nafitiran Inter-trade Co. Ltd. (NICO) holding 15.40% of the equity shares.

Presently, the Memorandum of Association of the company permits issue of Equity Shares. The Capital Clause V of the Memorandum of Association of the company provides for an Authorised Capital of ₹ 400,00,00,00000 drivided into 40,00,0000 equity shares of ₹ 10f- each. Since reference to the capital clause is only for equity shares, the Memorandum of Association of the company needs to be amended to provide for issuance of Preference Shares which requires the approval of the shareholders by a Special Resolution. Further, Article 4 of the Articles of Association of the Company containing the Authorised Share Capital needs to be amended accordingly by a Special Resolution to be passed by the Shareholders.

Hence, the present Resolutions.

Memorandum of Interest:-

None of the Directors, except nominee Directors of IndianOil on the Board of CPCL, are interested in the Resolutions.
