RISK FACTORS

Given below are the risk factors relating to the transaction, the Offer and the probable risks involved in associating with the Acquirers. For capitalized terms used herein please refer to the Definitions set out on page no. 4 of this Letter of Offer.

A. Risk factors relating to the transaction

 The consummation of the acquisition of the Sale Shares by the Acquirers, as envisaged under the SPA, is subject to satisfaction of all the conditions of the SPA and receipt of the statutory approvals, if any, which may become applicable at a later date. For further details in relation to the status of satisfaction of the conditions of the SPA and the approval of the RBI for the acquisition of the Sale Shares under the SPA by Acquirer 2, please refer to paragraphs 2.1.5 and 2.1.8 of this Letter of Offer.

B. Risk factors relating to the Offer

- 1. Equity Shareholders tendering their Equity Shares in this Offer will be doing so prior to receipt of consideration in relation to such tendered Equity Shares as the Acquirers have up to 10 working days from the date of closure of the Tendering Period to pay the consideration to the Equity Shareholders whose Equity Shares are accepted in this Offer.
- 2. The tendered Equity Shares will lie to the credit of a designated escrow depository account and the documents relating to the tendered Equity Shares would be held in trust by the Registrar to the Offer, till the completion of the Offer formalities. During such period, there may be fluctuations in the market price of the Equity Shares and the Equity Shareholders will not be able to trade in such Equity Shares which are in the custody of the Registrar to the Offer, thereby restricting the ability of such Equity Shareholders to take advantage of any favorable price movements. Accordingly, the Acquirers make no assurance with respect to the market price of the Equity Shares before, during or upon completion of this Offer and each of them expressly disclaims any responsibility or obligation of any kind (except as required by applicable law) with respect to any decision by the Equity Shareholders on whether or not to participate in this Offer.
- 3. Equity Shares, once tendered through the Form of Acceptance-cum-Acknowledgement in the Offer, cannot be withdrawn by the Equity Shareholders during the Tendering Period.
- 4. In the event that any statutory approval, which may become applicable at a later date is not received or is delayed, or there is any litigation leading to a stay on this Offer or related to this Offer by a court of competent jurisdiction, or SEBI or a court or governmental authority of competent jurisdiction directs the Acquirers not to proceed with this Offer, this Offer may be delayed beyond the schedule of activities indicated in this Letter of Offer. Consequently, the payment of consideration to the Equity Shareholders, whose Equity Shares are accepted in this Offer, may be delayed.
- 5. In terms of Regulation 23(1) of the SEBI (SAST) Regulations if the sale and purchase of the Sale Shares, pursuant to the SPA, is not consummated because any of the conditions (as mentioned in paragraph 2.1.4 below), as stated in the SPA (which are outside the reasonable control of the Acquirers), are not met with within the time specified in the SPA, this Offer may stand withdrawn. Furthermore, if, at a later date, any other statutory approvals are required, this Offer would become subject to receipt of such other statutory approvals.
- 6. The Acquirers and the Manager to the Offer do not accept any responsibility for statements made otherwise than in this Letter of Offer or the Public Announcement or the DPS and anyone placing reliance on any other source of information (not released by the Acquirers or the Manager to the Offer) would be doing so at his/her/their own risk.
- 7. The Open Offer is an offer to acquire not more than 26% of the Voting Share Capital of the Target Company from the Public Shareholders. In the case of over subscription in the Open Offer, acceptance would be determined on a proportionate basis and hence there is no certainty that all the Shares tendered by the Public Shareholders in the Open Offer will be accepted.
- 8. This Letter of Offer has not been filed, registered or approved in any jurisdiction outside India. Recipients of this Letter of Offer resident in jurisdictions outside India should inform themselves of and observe any applicable legal requirements. This Offer is not directed towards any person or entity in any jurisdiction or country where the same would be contrary to the applicable laws or regulations or would subject the Acquirers or the Manager to the Offer to any new or additional registration requirements. This is not an offer for sale, or a solicitation of an offer to buy, in the United States of America and cannot be accepted by any means or

instrumentality from within the United States of America.

- 9. The Shareholders are advised to consult their respective tax advisors for assessing the tax liability pursuant to this Offer, or in respect of other aspects such as the treatment that may be given by their respective assessing officers in their case, and the appropriate course of action that they should take. The Acquirers and the Manager to the Offer do not accept any responsibility for the accuracy or otherwise of the tax provisions set forth in this Letter of Offer.
- 10. This Offer is subject to completion risks as would be applicable to similar transactions.
- 11. In the event that the number of Equity Shares validly tendered by the Public Shareholders under this Offer is more than the number of Offer Shares, the Acquirers shall accept those Equity Shares validly tendered by the Public Shareholders on a proportionate basis as detailed in paragraph 5.1.10 below. Therefore, there is no certainty that all the Equity Shares tendered in the Offer will be accepted. The unaccepted Equity Shares will be returned to the respective Public Shareholders in accordance with the schedule of activities for the Offer.

C. Probable risks involved in associating with the Acquirers

- 1. The Acquirers make no assurance with respect to the financial performance of OAL nor do they make any assurance with respect to the market price of the Equity Shares upon the completion of this Offer. Each of the Acquirers disclaim any responsibility with respect to any decision by the Equity Shareholders on whether or not to participate in this Offer.
- 2. The Acquirers make no assurance with respect to their investment / disinvestment relating to their proposed shareholding in OAL

The risk factors set forth above pertain to this Offer and are not in relation to the present or future business operations of OAL or any other related matters, and are neither exhaustive nor intended to constitute a complete analysis of the risks involved in participation or otherwise by an Equity Shareholder in this Offer. The Equity Shareholders are advised to consult their stockbrokers or investment consultants, if any, for analyzing all the risks with respect to their participation in this Offer.
