23 A Q

Notes:

1. The above results have been taken on record by the Board of Directors in its meeting held on August 13, 2015.
2. The Company, inter-alia, manufactures Sugar which is produced during the season and sold throughout the year. As such the performance in any quarter may not be representative of the annual performance of the Company.
3. The Company over the last few years has been incurring cash losses due to which its net worth has been completely eroded and its current liabilities are far in excess of its current assets. The Indian sugar industry, particularly in the State of Uttar Pradesh, has faced difficulties on account of increased sugar cane prices and low recovery of sugar from cane, very low and further declining sugar prices and consequential under recovery of cost of production. These factors have adversely affected the Company's operations and financial performance. Higher finance costs have also added to the cash losses.

The Company was registered with the BIFR on September 10, 2013 under the provisions of Section 15(1) of the Sick Industrial Companies (Special Provisions), Act, 1985 (SICA) and prescribed procedure and rules under SICA are being followed.

The State and Central Government are responsible for having increased the cane price and are now searching for a way-out from the adverse situation for all (farmers & millers) from the situation. The Company has also initiated various steps including cane development activities, enhancing plant efficiencies, costs reduction etc. to improve the performance of the Company even in these circumstances.

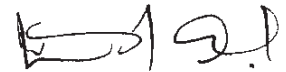

As such, the Company is confident that BIFR will approve a rehabilitation scheme which would entail part sale of its surplus/non-core assets to discharge some of its financial obligations and improve cash flow, rescheduling of the outstanding debt/payables (including overdue debt/payables), and other requisite financial restructuring in consultation with various stakeholders to improve its financial position including net worth. Based on an internal assessment and valuation done by an independent valuer, the Management is confident that the current fair market value of the aforesaid assets it proposes to dispose as part of the rehabilitation scheme would be sufficient to discharge its financial obligations as envisaged in the scheme.

In view of the above, the Board of Directors of the Company is confident that the Company would be in a position to realize its assets and discharge its liabilities by successfully implementing the rehabilitation scheme and in the normal course of its business. Accordingly, these financial results have been prepared on a going concern basis.

4. In view of financial position of the Company explained in note no. 3 above, the Company has not been able to attract qualified Non-Executive Directors and has also not been able to fill up certain Key positions despite its best efforts. Consequently, the Company is not in compliance with certain sections/ clauses of the Companies Act, 2013 and of the Listing Agreement.

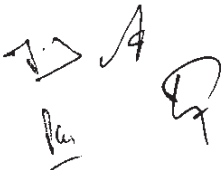

5. With effect from January 1st, 2015, depreciation on fixed assets is computed in accordance with Schedule II of the Companies Act, 2013. Consequent thereto, Depreciation charged for the period is lower by Rs. 9.49 Cr and depreciation amounting to Rs. 5.23 Cr. has been adjusted from the opening balance of the retained earnings.
6. The Central Government had approved the former Chairman and Managing Director remuneration (w.e.f. October 15, 2012) vide letter dated April 21, 2014 at an amount lower than that approved by the shareholders in their general meeting. Consequent thereto, the Company had made a representation to the Central Government on November 5, 2014 for waiver of excess remuneration paid to Mr. Siddharth Shriram, Managing Director. Pending outcome thereof, refund of excess remuneration amounting to Rs. 70.40 lacs paid in terms of shareholders' approval has not been obtained by the Company.
7. The Central Government had approved the former Whole Time Director (WTD) Mr. Rajendra Khanna remuneration (w.e.f. 1st February, 2014) vide letter dated June 30, 2015 at an amount lower than that approved by the shareholders. Consequent thereto, the Company has made a representation to the Central Government for waiver of excess remuneration paid to Mr. Rajendra Khanna, Whole-Time Director. Pending outcome thereof, refund of excess remuneration amounting to Rs.66.02 lacs paid in terms of shareholders' approval has not been obtained by the Company.
8. Mr. Dharam Pal Sharma has been appointed as Whole Time Director of the Company w.e.f. 13.08.2015.
